

The Department of Mathematics and Actuarial Science anticipates two faculty vacancies.

The successful candidate will teach all levels of undergraduate mathematics courses, as well as participate in research. The second position is open only for candidates with expertise to teach in the Actuarial Science Major.

Position # MATH-1/2-08

- PhD is required

One-, two- or three-year appointment, subject to mutual agreement will begin September 2008. Renewal of an appointment depends upon institutional needs and/or the appointee's performance.

Salary and rank are according to scale based on qualifications and professional experience. For expatriates, benefits include housing, annual round-trip air travel for appointee and qualifying dependents, plus schooling for the equivalent of up to two children at Cairo American College. In view of AUC's protocol agreement with the Egyptian government, which requires specific proportions of Egyptian, U.S., and third-country citizen faculty, at this time preference will be given to qualified applicants who are U.S. citizens.
