Assistant Professor in Mathematics

ETH Zurich is looking for qualified candidates from all areas of mathematics. Duties of this position include, in addition to research, an active participation in the teaching of mathematics courses for students of mathematics, natural sciences, and engineering.

Candidates should have a doctorate or equivalent and have demonstrated the ability to carry out independent research. Willingness to teach at all university levels and to collaborate with colleagues is expected. Courses at Master level may be taught in English.

This assistant professorship has been established to promote the careers of younger scientists. Initial appointment is for four years, with the possibility of renewal for an additional two-year period.

Please submit your application together with a curriculum vitae and a list of publications to **the President of ETH Zurich, ETH Zurich, Raemistrasse 101, CH-8092 Zurich, Switzerland, no later than February 29, 2008**. With a view toward increasing the number of female professors, ETH Zurich specifically encourages qualified female candidates to apply.
