Assistant Professor, Tenure-track Department of Mathematics & Statistics

The Department of Mathematics and Statistics (www.math.umass.edu) invites applications for two tenure-track positions in Mathematics and Statistics at the Assistant Professor level subject to the availability of funds. The search will encompass the following areas: Algebra and Number Theory, Algebraic Geometry and Representation Theory, Analysis and Partial Differential Equations, Applied and Computational Mathematics, Differential Geometry and Topology, Mathematical Physics, Probability, and Statistics. Exceptional promise in research and a commitment to outstanding teaching at all levels of the curriculum are expected. The University of Massachusetts Amherst is developing excellence initiatives in the areas of Renewable Energy, Clean Water, Nanomaterials, and Biomedicine. Candidates interested in interdisciplinary work in these and other areas are encouraged to apply. Outstanding candidates at the Associate or Full Professor levels may also be considered should funding become available.

Applications should be submitted electronically through the AMS website mathjobs.org. Alternatively, applicants may send a curriculum vitae, research and teaching statements, and arrange to have three letters of recommendation sent to: Search Committee, Department of Mathematics and Statistics, Lederle Graduate Research Center, 710 North Pleasant St., Amherst, MA 01003-9305.

Review of applications for tenure-track positions will begin October 1, 2008. Applications will continue to be accepted until all positions are filled. The department is committed to the development of a diverse faculty, student body, and workplace. Women and members of minority groups are encouraged to apply.
