UTAH

UNIVERSITY OF UTAH College of Science

Director of the Center for Mathematics and Science Education with Appointment as Senior Faculty Member in the College of Science and the College of Education.

The University's College of Science and College of Education are designing a unique and exciting interdisciplinary research and instructional program that will begin with the creation of the Center for Mathematics and Science Education.

The candidate for director should be an established distinguished scientist within his or her discipline, holding a tenured position in biology, chemistry, mathematics, or physics. Candidate must have a strong interest and background in mathematics and science education. The director of the center will have a dual tenured appointment in both the College of Science and the College of Education, and will be expected to continue an active scholarly program in conjunction with responsibilities associated with the design and development of the center with a commitment to building diverse racial, ethnic, and linguistic learning environments that support students' mastery in math and science.

The Search Committee will begin reviewing applications in January 2009. The anticipated starting date for the position is August 15, 2009. Salary is highly competitive, and the appointment is on a nine-month academic year schedule with funding available for summer administrative duties. A liberal benefits package is provided.

Nominations and applications should be directed to Pierre Sokolsky, Dean of the

College of Science, and Search Committee Co-Chair Michael Hardman, Dean of the College of Education, University of Utah, 1705 East Campus Center Drive, Room 225, Dean's Office Education, Salt Lake City, Utah 84112.

Applications should include: (1) a letter of intent, (2) the names and contact information of three references who can speak to the candidate's qualifications, (3) recent research publications and/or manuscripts, and (4) a current curriculum vitae. Direct inquiries to Pierre Sokolsky (801-581-6958, ps@physics.utah.edu) or Michael Hardman (801-581-8221, Michael.Hardman@utah.edu).

The University of Utah is an Equal Opportunity/Affirmative Action Employer.
