## DELAWARE

### DELAWARE STATE UNIVERSITY Department of Mathematical Sciences Chairperson/Associate or Full Professor

Delaware State University invites applications for the position Chairperson of Department of Mathematical Sciences. The department offers baccalaureate and master's degrees in mathematics and mathematical education, and has an interdisciplinary Ph.D. program in applied mathematics. The department also supports the mathematics component of the universities general education program. The successful candidate must have a Ph.D. in mathematics, mathematics education or a closely related field. The candidate must have experience in research, teaching, and service and have a successful record in grant writing and publication. The candidate should also have outstanding leadership, interpersonal, and communication skills. Application requires 1) application letter, 2) curriculum vitae, 3) research statement, 4) teaching philosophy, 5) administrative philosophy, 6) transcripts (official transcripts will be required prior to employment) 7) evidence of authorization to work in the United States, and 8) two letters of reference sent to: Dr. Richard Barczewski, Chair Search Committee, College of Mathematics, Natural Sciences, and Technology, Delaware State University, 1200 N. DuPont Highway, Dover, DE 19901. Applications will be considered until the position is filled.

**Suggested** uses for classified advertising are positions available, books or lecture notes for sale, books being sought, exchange or rental of houses, and typing services.

**The 2007 rate is** \$110 per inch or fraction thereof on a single column (one-inch minimum), calculated from top of headline. Any fractional text of 1/2 inch or more will be charged at the next inch rate. No discounts for multiple ads or the same ad in consecutive issues. For an additional \$10 charge, announcements can be placed anonymously. Correspondence will be forwarded.

Advertisements in the "Positions Available" classified section will be set with a minimum one-line headline, consisting of the institution name above body copy, unless additional headline copy is specified by the advertiser. Headlines will be centered in boldface at no extra charge. Ads will appear in the language in which they are submitted.

There are no member discounts for classified ads. Dictation over the telephone will not be accepted for classified ads.

**Upcoming deadlines** for classified advertising are as follows: August 2009 issue-May 28, 2009; September 2009 issue-June 29, 2009; October 2009

For first consideration, send completed application by May 30, 2009.

## SOUTH CAROLINA

### UNIVERSITY OF SOUTH CAROLINA Call for Nominations for Vasil Popov Prize

The Vasil Popov Prize is awarded every three years for outstanding research contributions in fields related to the work of Vasil A. Popov, who is best known for his contributions to Approximation Theory. Candidates must have received their Ph.D. within the previous six years. Nominations should include a brief description of the relevant work and a vita of the candidate. The deadline for nominations is November 1, 2009. Nominations should be sent to Pencho Petrushev, Chair, Popov Prize Selection Committee, Department of Mathematics, University of South Carolina, Columbia, SC 29208; email: [popov@math.sc.edu](mailto:popov@math.sc.edu). For further information, visit the website: <http://www.math.sc.edu/~popov/>.

## TEXAS

### THE UNIVERSITY OF TEXAS AT SAN ANTONIO Associate/Full Professor Mathematics

The Department of Mathematics in the College of Sciences at The University of Texas at San Antonio (UTSA) invites applications for one tenured position at the associate or full professor level. With a student body of over 28,000 students, UTSA is now the second largest component of The University of Texas system and is an emerging institution expanding to become a tier one university and developing a national reputation for excellence.

Responsibilities include conducting an active research program; teaching both graduate and undergraduate courses that are offered at both the UTSA 1604 and downtown campuses; seeking grant funding; serving on thesis committees; and providing service to the department, college, university, and community constituencies. The successful candidate will be expected to assist the department in strengthening and finalizing its evolving proposal for a Ph.D. degree in mathematics.

Associate/Full Professor Required Qualifications: (1) Ph.D. degree in mathematics; (2) strong research record in mathematics as appropriate for the level of the position; and (3) university teaching experience commensurate with the position.

Associate/Full Professor Preferred Qualifications: (1) Outstanding research

issue-July 29, 2009; November 2009 issue-August 28, 2009; December 2009 issue-September 28, 2009; January 2010 issue-October 28, 2009.

**U.S. laws prohibit** discrimination in employment on the basis of color, age, sex, race, religion, or national origin. "Positions Available" advertisements from institutions outside the U.S. cannot be published unless they are accompanied by a statement that the institution does not discriminate on these grounds whether or not it is subject to U.S. laws. Details and specific wording may be found on page 1373 (vol. 44).

**Situations wanted advertisements** from involuntarily unemployed mathematicians are accepted under certain conditions for free publication. Call toll-free 800-321-4AMS (321-4267) in the U.S. and Canada or 401-455-4084 worldwide for further information.

**Submission:** Promotions Department, AMS, P.O. Box 6248, Providence, Rhode Island 02940; or via fax: 401-331-3842; or send email to [classes@ams.org](mailto:classes@ams.org). AMS location for express delivery packages is 201 Charles Street, Providence, Rhode Island 02904. Advertisers will be billed upon publication.

achievements in the areas of analysis or algebra (or other fields of interest of our current faculty: <http://math.utsa.edu/>) receive special attention, but candidates who present a record of exceptional accomplishments in any research area in mathematics are also considered and (2) experience and success in seeking and obtaining external funding.

**Initial Screening:** Qualified candidates must submit an application letter that addresses the required and preferred qualifications; current curriculum vitae; 1 to 2 page description of research agenda; copies of 2 to 3 published, peer-reviewed research articles; and the names, addresses, email addresses, and telephone numbers of three references. The review of applications will begin immediately and will continue until the position is filled.

All applicants should send application materials to: Math Faculty Position, c/o Wanda Crotty, Department of Mathematics, The University of Texas at San Antonio, One UTSA Circle, San Antonio, TX 78249, [mathfacultyad@utsa.edu](mailto:mathfacultyad@utsa.edu).

UTSA is an Affirmative Action/Equal Employment Opportunity Employer. Women, minorities, veterans, and individuals with disabilities are encouraged to apply. Applicants who are selected for interviews must be able to show proof that they will be eligible and qualified to work in the United States. This position is pending budget approval.

## ENGLAND

### ALL SOULS COLLEGE OXFORD Senior Research Fellowships

All Souls College proposes to elect up to four Senior Research Fellows with effect from 1st October 2010 (or an agreed later date): in Classical Studies, in Law, and in Mathematics (all subjects broadly conceived).

A Senior Research Fellowship is of comparable academic standing to a professorship in the University of Oxford. Applicants are expected to have a correspondingly distinguished record of achievement in research.

Further particulars, including details of salary and other terms of appointment, may be obtained from the Warden's Secretary, All Souls College, Oxford OX1 4AL; [mary.yoe@all-souls.ox.ac.uk](mailto:mary.yoe@all-souls.ox.ac.uk). See also the college's website: <http://www.all-souls.ox.ac.uk>. The deadline for applications will be Friday, 25th September 2009.

Potential mathematical candidates may contact [graeme.segal@all-souls.ox.ac.uk](mailto:graeme.segal@all-souls.ox.ac.uk) or [dan.segal@all-souls.ox.ac.uk](mailto:dan.segal@all-souls.ox.ac.uk)

[ox.ac.uk](http://ox.ac.uk) for more information about the position.

All Souls College is an Equal Opportunities Employer.

## Configurations of Points and Lines

Branko Grünbaum  
*University of Washington, Seattle*

The accessible material in this book details the history of the topic of geometric configurations of points and lines, chronicling its surges and declines. The text relies heavily on the graphical presentation of configurations, simplifying the description of the many types that are covered. The book also includes many easily understood open problems.
