

“ME, MYSELF & WEBASSIGN.”

WELCOME TO THE NEW ECONOMICS OF TEACHING.

The new economics of teaching will test the resourcefulness of every instructor and administrator, from the smallest private college to the ivy league. There will be fewer resources and even fewer assistants and supporting staff.

Oh, and you'll be expected to teach more courses to more students. Which is why, more than ever, you need WebAssign.

With WebAssign, it's like having two of you to go around. That's because WebAssign helps you do more, more effectively, with less. Our large enrollment course features allow a single person to easily administer multiple sections. Automated features eliminate administrative tasks such as grading, so fewer graders are needed. Departments can even sell their own text materials and eLabs online, providing new revenue streams. All of which explains why WebAssign users are 3 million strong and growing.

So, what will it take to survive, even thrive, in the new economics of teaching? Three things: You. Yourself. And WebAssign.
