GEORGIA

GEORGIA INSTITUTE OF TECHNOLOGY School of Mathematics

The School of Mathematics at Georgia Tech is continuing an ambitious faculty recruitment program begun several years ago. Building on past successes, this recruiting effort is intended to make rapid advances in the scope and quality of our research and graduate education programs. Candidates will be considered at all ranks, with priority given to those candidates who: (1) show the potential to carry out research of exceptional quality at Georgia Tech; (2) complement existing strengths in the School of Mathematics; (3) reinforce bridges to programs in engineering and the physical, computing, and life sciences; (4) have strong potential for external funding; and (5) have a demonstrated commitment to high quality teaching at both the undergraduate and graduate levels. Consistent with these priorities, candidates will be considered in all areas of pure and applied mathematics and statistics. Applications should consist of a curriculum vitae, including a list of publications, summary of future research plans, and at least three letters of reference. Applications should also include evidence of teaching interest and abilities. Candidates for associate and full professor positions should submit a statement outlining their vision for service as a senior faculty member at Georgia Tech. Applications should be submitted directly to <http://www.mathjobs.org>. If a candidate cannot submit an application electronically, then it may be sent to the Hiring Committee, School of Mathematics, Georgia Institute of Technology, Atlanta,

GA, 30332-0160, USA. Review of applications will begin in October 2009, and the roster of candidates being considered will be updated on a continual basis. Georgia Tech, an institution of the University System of Georgia, is an Equal Opportunity/Affirmative Action Employer.

KANSAS

KANSAS STATE UNIVERSITY Department of Mathematics

Applications are invited for a tenure-track assistant professor position to commence August 8, 2010, with salary commensurate with qualifications. A Ph.D. in mathematics is required and preference will be given to candidates with some postdoctoral experience. The department seeks candidates whose research interests are in analysis and/or applied mathematics. The successful candidate should have strong research credentials as well as strong accomplishment or promise in teaching, should demonstrate a strong commitment to mentoring students, and should value working with colleagues and students from diverse backgrounds. Applicants must submit the following: a letter of application, curriculum vita, outline of teaching philosophy, a statement of research objectives, and four letters of reference, at least one of which addresses the applicant's teaching ability and potential. All application materials must be submitted electronically via <http://www.mathjobs.org>. Screening begins November 1, 2009, and continues until the position is closed. Kansas State University is an Equal Opportunity Employer and actively seeks diversity among its employees

and encourages applications from women and minorities. A background check is required.

000001

KENTUCKY

WESTERN KENTUCKY UNIVERSITY Mathematics and Computer Science

The Department of Mathematics and Computer Science at Western Kentucky University invites applications for a tenure-track position in mathematics education starting August 2010 at the assistant professor level.

Qualifications: The applicant should have an earned doctorate in mathematics education and a minimum of 18 hours of graduate-level mathematics courses prior to the date of employment. Applicants should provide evidence of effective teaching, scholarly potential, and the ability to work collaboratively with colleagues in the Department of Mathematics, College of Education and K-12 schools. Experience in web-based learning is desirable.

Salary is commensurate with qualifications and experience.

Duties: The successful candidate will be expected to teach undergraduate and graduate courses in mathematics for preservice and inservice teachers; will be active in mathematics education research and grant writing; and will cooperate with other faculty members to review and revise mathematics courses for teachers at all levels, to recruit prospective mathematics teachers, and to support SkyTeach, WKU's replication of the UTeach program at the University of Texas-Austin.

Salary is commensurate with qualifications and experience. Review of docu-

Suggested uses for classified advertising are positions available, books or lecture notes for sale, books being sought, exchange or rental of houses, and typing services.

The 2009 rate is \$110 per inch or fraction thereof on a single column (one-inch minimum), calculated from top of headline. Any fractional text of 1/2 inch or more will be charged at the next inch rate. No discounts for multiple ads or the same ad in consecutive issues. For an additional \$10 charge, announcements can be placed anonymously. Correspondence will be forwarded.

Advertisements in the "Positions Available" classified section will be set with a minimum one-line headline, consisting of the institution name above body copy, unless additional headline copy is specified by the advertiser. Headlines will be centered in boldface at no extra charge. Ads will appear in the language in which they are submitted.

There are no member discounts for classified ads. Dictation over the telephone will not be accepted for classified ads.

Upcoming deadlines for classified advertising are as follows: February 2010 issue–November 25, 2009; March 2010 issue–December 28, 2009; April 2010

issue–January 28, 2010; May 2010 issue–February 26, 2010; June/July 2010 issue–April 28, 2010; August 2010 issue–May 28, 2010.

U.S. laws prohibit discrimination in employment on the basis of color, age, sex, race, religion, or national origin. "Positions Available" advertisements from institutions outside the U.S. cannot be published unless they are accompanied by a statement that the institution does not discriminate on these grounds whether or not it is subject to U.S. laws. Details and specific wording may be found on page 1373 (vol. 44).

Situations wanted advertisements from involuntarily unemployed mathematicians are accepted under certain conditions for free publication. Call toll-free 800-321-4AMS (321-4267) in the U.S. and Canada or 401-455-4084 worldwide for further information.

Submission: Promotions Department, AMS, P.O. Box 6248, Providence, Rhode Island 02940; or via fax: 401-331-3842; or send email to classifieds@ams.org. AMS location for express delivery packages is 201 Charles Street, Providence, Rhode Island 02904. Advertisers will be billed upon publication.

MASSACHUSETTS

NORTHEASTERN UNIVERSITY Department of Mathematics Tenure-Track Assistant Professorship

We invite applications for a tenure-track position at the assistant professor level to begin in September 2010. This position involves carrying out a productive research program, effective teaching, and service to the department, the university, and the profession. Appointments are based on exceptional research contributions in mathematics. Candidates with research in any area of mathematics and with an interest and ability to collaborate across disciplines and units in the university are urged to apply. Instructions: Applicants are requested to complete the following two steps by November 1, 2009, (late applications may be considered until the position is filled): 1.) Complete the Northeastern University application found at: <http://www.northeastern.edu/cas/> (click on Faculty Positions on the lower left hand side of the page) 2.) Submit an application and at least three letters of recommendation at: <http://www.math-jobs.org>. These letters should address the applicant's research accomplishments and supply evidence that the applicant has the ability to communicate and teach effectively.

Northeastern University
Department of Mathematics, 567
Lake Hall, Boston MA 02115
<http://www.math.neu.edu>

Northeastern University is an Equal Opportunity, Affirmative Action Educational Institution and Employer, Title IX University. Northeastern University particularly welcomes applications from minorities,

women and persons with disabilities. Northeastern University is an E-Verify Employer.

000004

MICHIGAN

MICHIGAN TECHNOLOGICAL UNIVERSITY Department of Mathematical Sciences Tenure-track Position in Mathematics Education

Applications are invited for a tenure-track assistant professorship in mathematics education, with a specialization in secondary mathematics education. A Ph.D. in mathematics education is required, with teaching experience at the secondary level and/or a master's degree in mathematics preferred. The ability to work with faculty in the department and across campus is desirable.

The Department of Mathematical Sciences offers BS, MS, and Ph.D. programs, including a very successful undergraduate concentration in secondary education. Current faculty have expertise in applied and computational mathematics; combinatorics, algebra, and number theory; and statistics and probability. Faculty are expected to have an active research program, seek external funding, and provide excellent teaching. Teaching loads are very competitive.

The position starts 16 August 2010, and candidates must complete all requirements for the Ph.D. in mathematics education by that date. Review of applications will begin December 1, 2009; candidates applying by that date are assured full consideration. Interested candidates should send a vita, three letters of recommendation (at least one of which addresses teaching), a description of proposed research program, and a statement of teaching interests to:

Search Committee
Mathematics Education Position
Department of Mathematical Sciences
Michigan Technological University
1400 Townsend Drive
Houghton, MI 49931-1295 or to:
<http://mathdept@mtu.edu> (electronic submissions in PDF format are encouraged)

In addition to the present search, strategic faculty hiring initiatives with up to ten new positions in "Next Generation Energy Systems" and "Health: Basic Sciences, Technologies, and Medical Informatics" are under way and qualified candidates are encouraged to send a separate application, following the "How to Apply" guidelines at: <http://www.mtu.edu/sfhi>.

Michigan Tech is an ADVANCE institution, one of a limited number of universities in receipt of NSF funds in support of our commitment to increase diversity

and the participation and advancement of women in STEM.

Michigan Technological University is an Equal Opportunity Educational Institution/Equal Opportunity Employer/Affirmative Action Employer.

NORTH CAROLINA

EAST CAROLINA UNIVERSITY Mathematics Department

Mathematics: Chair. East Carolina University. (Vacancy #937801 at <http://www.jobs.ecu.edu>). Appointment at the level of professor with expectation of tenure, beginning on or before August 16, 2010. Requires earned Ph.D. in the mathematical sciences and a distinguished record of research, teaching, and service. Administrative experience is desirable. Visit: <http://www.ecu.edu/math/> for departmental information. Screening begins December 1, 2009, (until filled). Applicants must submit a candidate profile, a letter of application, curriculum vitae, and a statement of administrative philosophy and experience online at <http://www.jobs.ecu.edu>. Three current, original, signed letters of recommendation should be sent directly to: Dr. Steve Culver, c/o Department of Mathematics, East Carolina University, Greenville, NC 27858-4353. At least one letter should address administrative/leadership/people skills. (Phone: 252-328-6461; culvers@ecu.edu.) For complete job description and requirements, see <http://ecu.peopleadmin.com/applicantsCentral?quickid=60620>. Official transcripts required upon employment. Equal Opportunity/Affirmative Action Employer.

000012

WAKE FOREST UNIVERSITY Department of Mathematics

Applications are invited for one tenure-track position in mathematics at the assistant professor level beginning August 2010. We seek highly qualified candidates who have a commitment to excellence in both teaching and research. A Ph.D. in mathematics or a related area is required. Candidates with research interests in algebra will receive first consideration. The department has 20 members and offers both a B.A. and a B.S. in mathematics, with an optional concentration in statistics; a B.S. in interdisciplinary mathematics; and a B.S. in each of mathematical business and mathematical economics. The department has a graduate program offering an M.A. in mathematics. A complete application will include a letter of application, curriculum vitae, teaching statement, research statement, graduate transcripts, and three letters of recommendation. The application deadline is January 1, 2010. Applicants are encouraged to post materials electronically at: [86](http://www.</p></div><div data-bbox=)

mathjobs.org. Hard copy can be sent to Stephen Robinson, Wake Forest University, Department of Mathematics, P.O. Box 7388, Winston-Salem, NC 27109. (email: sbr@wfu.edu, <http://www.math.wfu.edu>). AA/EO Employer.

000006

OHIO

THE OHIO STATE UNIVERSITY Faculty Position in Mathematical Biology

Ohio State University invites applications for faculty position in mathematical biology that will be jointly appointed in mathematics or statistics and an appropriate biological sciences department in the College of Arts and Sciences. Assistant professor level applicants will be given preference.

Submit vita, research and teaching statements, and three references to: <http://www.mathjobs.org>. Questions can be directed to <http://search@mbi.osu.edu>. Review of applications begins November 16, 2009.

To build a diverse workforce Ohio State encourages applications from minorities, veterans, women, and individuals with disabilities. Flexible work options are available. EEO/AA employer. Ohio State is an NSF Advance Institution.

000002

UNIVERSITY OF CINCINNATI Department of Mathematical Sciences

Applications are invited for one or more tenure-track assistant professorships. Applicants with expertise in numerical analysis, financial mathematics, statistics and mathematical education are particularly encouraged to apply. However, strong candidates whose research interests mesh well with the research interests of department faculty will also be considered. For further details, please see the position announcement at: <http://mathjobs.org> or at: <http://math.uc.edu/facstaff/jobs.html>. The University of Cincinnati is an Equal Opportunity/Affirmative Action Employer. Women, people of color, the disabled, and veterans are encouraged to apply.

000009

TEXAS

TEXAS LUTHERAN UNIVERSITY Department of Mathematics

Department of Mathematics invites applications for a tenure-track position beginning August 2010. Requirements include Ph.D. in mathematics by appointment date, ability to teach a wide range of introductory and advanced undergraduate courses, and a commitment to mentor students in an undergraduate research

program. Submit letter of application, curriculum vitae, statement of teaching philosophy, and five professional references (names, addresses including email, telephone) electronically to: Dr. Reza Abbasian (facultysearch@tlu.edu), Chair of the Dept. of Mathematics and Computer Science, Texas Lutheran University, Seguin, TX. Review of applications will continue until the position is filled. Full position description is available at: <http://www.tlu.edu>. Texas Lutheran University is an Equal Opportunity Employer

000013

TEXAS TECH UNIVERSITY Mathematics and Statistics

The Dept. of Mathematics and Statistics invites applications for at least one tenure-track position at the rank of assistant professor or higher beginning in the fall 2010 semester. Exceptional candidates will be considered for higher-level position.

Strong applicants in all areas will be considered. Candidates whose research interests complement existing departmental areas or have excellent potential for interdisciplinary collaboration are especially encouraged to apply. Areas of particular interest include computational mathematics, dynamical systems, geometry and topology.

Strong promise or accomplishment in scholarly activity and teaching and a Ph.D. or equivalent degree at time of appointment are required. The successful candidate should also contribute through professional and departmental service.

Texas Tech is an Affirmative Action/Equal Opportunity Employer committed to excellence through diversity. Texas Tech welcomes applications from minorities, women, veterans, and persons with disabilities.

Applications should be submitted at: <http://jobs.texas-tech.edu> using requisition number 80105 and should include completed AMS standard cover sheet and resume.

Three letters of reference and any material in addition to that submitted online should be sent to:

Professor Wayne Lewis
Chair, Faculty Search Committee
Dept. of Mathematics and Statistics
Texas Tech University
Lubbock, TX 79409-1042
math.hiring@ttu.edu

000005

TRINITY UNIVERSITY Department of Mathematics Chair of the Department of Mathematics

Trinity University invites applications for the rank of associate or full professor. The successful candidate will have a Ph.D. in the mathematical sciences, a record of

excellence in undergraduate education, a productive research program in an area of applied mathematics or statistics, a strong history of service, and demonstrated leadership skills. Preference will be given to candidates with experience in undergraduate research.

Applications should be submitted to: Chair, Department of Mathematics, Trinity University, San Antonio, TX 78212, no later than January 18th, 2010. Applications should include a cover letter, curriculum vita, three letters of recommendation specific to the position, and a letter addressing teaching philosophy, research interests, and leadership style. In the cover letter, please indicate whether or not you plan to attend the San Francisco AMS-MAA Joint Mathematics Meetings in January.

Located in the culturally rich city of San Antonio, Trinity University is a highly selective independent coeducational institution providing broad and intensive educational opportunities primarily to undergraduates in liberal arts and sciences and in selected professional and pre-professional fields. Small class sizes, a ten-to-one student to faculty ratio, and exceptional facilities are some of the qualities that distinguish Trinity as one of the nation's best schools. For more information, please visit our website at: <http://www.trinity.edu>.

Trinity University is an Affirmative Action, Equal Opportunity Employer. Women and minorities are encouraged to apply. Trinity University does not discriminate in educational or employment opportunities or decisions for qualified persons on the basis of race, color, religion, sex, national origin, age, disability, sexual orientation, or veteran status.

Assistant Professor:

Trinity University invites applications for a tenure-track assistant professor in the Department of Mathematics. Requirements include a Ph.D. in the mathematical sciences, a commitment to excellence in undergraduate education, and the potential for a productive research program in an area of statistics or applied mathematics. The successful candidate will teach statistics courses in addition to sharing in the teaching of a broad range of undergraduate mathematics courses. Preference will be given to candidates whose research can include undergraduates.

Applications should be submitted to: Chair, Department of Mathematics, Trinity University, San Antonio, TX 78212, no later than January 18, 2010. Applications should include a cover letter, curriculum vita, official transcripts, three letters of recommendation specific to the position, and a letter addressing teaching philosophy and research interests. In the cover letter, please indicate whether or not you plan to attend the San Francisco AMS-MAA Joint Mathematics Meetings in January.

000011

UNIVERSITY OF TEXAS, EL PASO
Department of Mathematics
Assistant/Associate Professor
(Mathematics Education) and Lecturer
Position(s)

The Department of Mathematical Sciences at the University of Texas at El Paso seeks to hire a tenure-track assistant or associate professor in mathematics education and one or more lecturer(s) beginning fall 2010.

For the tenure-track assistant or associate professor in mathematics education the successful candidates are expected to have an active research program in mathematics education. Responsibilities include directing undergraduate/graduate students' mathematics education research, developing/teaching mathematics education courses at various levels, and helping enhance recently-formed programs for in-service teachers. A doctorate in mathematics education or mathematics education is required. Experience with doctoral programs, grant writing, and K-12 teaching are preferred. Interested applicants or nominations should provide a letter of interest, vita, graduate transcript (unofficial OK), research statement, statement of teaching philosophy, writing sample (e.g., article or grant), and 3-4 letters (including one on teaching experience) of recommendation to: Mathematics Education Hiring Committee, Mathematical Sciences Dept., UTEP, El Paso, TX 79968-0514 or to: search@math.utep.edu.

The lecturer positions carry a load of fifteen hours per semester and the primary responsibility is the teaching of freshman and sophomore level mathematics courses. Good communication skills and excellence in teaching are essential. The minimum qualifications for the positions consist of a Master's degree in any field and at least 18 graduate semesters hours in mathematics; a Master's or Ph.D. degree in the mathematical sciences is preferred. Interested applicants or nominations should provide Curriculum Vitae,

transcripts and arrange for three letters of reference to be sent to: Lecturer Search Committee, Mathematical Sciences Dept., UTEP, El Paso, TX 79968-0514 or to: Lecturersearch@math.utep.edu.

ABOUT THE UNIVERSITY: The University of Texas <http://www.utep.edu> at El Paso, a growing research-intensive doctoral university of 21,000+ students, is located in mountainous desert country at the U.S.-México border, offering opportunities to make a difference for many underrepresented learners in our rich cultural and natural environments. The Department of Mathematical Sciences (<http://www.math.utep.edu/>) offers an undergraduate minor in mathematics teaching, a Master of Arts in Teaching Mathematics degree, and also supports a Master Mathematics Teacher Certificate. Women and minorities are strongly encouraged to apply. The University of Texas at El Paso is an Equal Opportunity Employer (<http://admin.utep.edu/eoaa>) committed to excellence through diversity. The university does not discriminate on the basis of race, color, national origin, sex, religion, age, disability, veteran's status, or sexual orientation in employment or the provision of services.

000010

ENGLAND

UNIVERSITY OF SOUTHAMPTON
School of Mathematics
Two Professorships in Pure
Mathematics

We are seeking to appoint two outstanding mathematicians with excellent track records of research and research leadership in areas which will enhance and extend the current interests of the Pure Mathematics Group. For at least one of the positions preference may be given to experts with an international reputation for excellent research in algebra, though exceptional candidates in any area will be seriously considered.

Duties, as determined by the Head of School, will include: conducting research of international status in pure mathematics, applying for externally funded research grants and enhancing the international profile of the research group, teaching undergraduate and postgraduate mathematics and supervision of research students. As part of the role you will also be expected to support effective management and administration of the school.

Both positions are available from 1 October 2010, or as soon as possible thereafter.

It is intended that applicants short-listed for interview will be invited to give a lecture in the school. The provisional date for interviews is Tuesday, 16 March 2010.

Informal enquiries can be made at any time to Professor G. A. Niblo, email:

G.A.Niblo@soton.ac.uk; tel: +44 (0)23 8059 3674; fax: +44 (0)23 8059 5147.

To apply online visit: <http://www.jobs.soton.ac.uk>. Alternatively telephone +44 (0)23 8059 2750. As part of your completed application you will be required to include addresses of three referees and your full CV.

Please quote the reference number 3957-09-E in all correspondence. The closing date for applications is 13 January 2010 at 12 noon.

At the University of Southampton we promote equality and value diversity.

000008

TAIWAN

ACADEMIA SINICA
Institute of Mathematics
Taiwan, R.O.C.

The Institute of Mathematics, Academia Sinica, is entrusted to promote mathematical research. The institute strives to become a national center of mathematical sciences in Taiwan, as well as an international mathematical institute. Mathematical researchers are welcome to apply for regular positions as well as 2010-2011 postdoctoral positions.

There is also the Institute of Mathematics Research Scholar position for young Ph.D. with exceptional research potential. This newly established position has the duration of 4-5 years.

Application for regular (resp. postdoctoral and Research Scholar) positions completed by Jan. 15, 2010 (resp. May 31, 2010), will be given full consideration.

Interested applicants should have the following materials

1. curriculum vitae
2. doctoral degree certificate
3. description of research
4. copies of representative publications
5. three letters of reference

either sent to:

The Chairman
The Hiring Committee
Institute of Mathematics
Academia Sinica
Nankang 11529,
Taipei, Taiwan

or input to the site: <http://www.math.sinica.edu.tw/applicant>. For any questions on applications, please contact: personnel@math.sinica.edu.tw.

For general information about the Inst., please see <http://www.math.sinica.edu.tw/>
