KANSAS

KANSAS STATE UNIVERSITY Department of Mathematics

Applications are invited for two Visiting Assistant Professorships commencing August 8, 2010. These will be annual appointments with the possibility of two subsequent one-year appointments depending on performance, funding, and need of services. A Ph.D. in mathematics or a Ph.D. dissertation—accepted with only formalities to be completed—is required by the time of appointment. The department seeks candidates whose research interests mesh well with current faculty. The department has research groups in algebra, analysis, differential equations, geometry/topology, and number theory. Successful candidates are expected to participate in the department's programs integrating undergraduate and graduate research, including mentoring undergraduate students during summer programs. The successful candidate should have strong research credentials as well as strong accomplishments or promise in teaching, and should value working with colleagues and students from diverse backgrounds.

Applicants must submit the following: a letter of application; curriculum vita; outline of teaching philosophy; a statement of research objectives; and four letters of reference, at least one of which addresses the applicant's teaching ability or potential. All application materials must be submitted electronically via <http://www.mathjobs.org>. Screening of

applications begins December 1, 2009, and continues until positions are closed.

Kansas State University is an Equal Opportunity Employer and actively seeks diversity among its employees and encourages applications from women and minorities. A background check is required.

NEW JERSEY

RAMAPO COLLEGE OF NEW JERSEY Assistant Professor of Mathematics Tenure-Track-Fall 2010

JOB DESCRIPTION: Responsibilities encompass a wide range of undergraduate mathematics courses, and the teaching and development of General Education mathematics courses.

REQUIREMENTS: Ph.D. in mathematics by September 1, 2010, is required. College teaching experience preferred. Faculty members are expected to maintain active participation in research, scholarship, college governance, service, academic advisement, and professional development activities.

All applications must be completed online at <http://www.ramapojobs.com>. Attach resume, cover letter, statement of teaching philosophy, research interests, and a list of three references to your completed application. Since its beginning, Ramapo College has had an intercultural/international mission. Please tell us how your background, interest, and experience

can contribute to this mission, as well as to the specific position for which you are applying.

Review of applications will begin immediately and continue until the position is filled. Position offers excellent state benefits. To request accommodations, call (201) 684-7718. Additional supportive materials in nonelectronic format may be sent to Dr. Maxim Goldberg-Rugalev, Search Committee chair, Ramapo College of New Jersey, 505 Ramapo Valley Road, Mahwah, NJ 07430.

Ramapo College is a member of the Council of Public Liberal Arts Colleges (COPLAC), a national alliance of leading liberal arts colleges in the public sector.

EEO/AFFIRMATIVE ACTION.

BRAZIL

INSTITUTE FOR PURE AND APPLIED MATHEMATICS (IMPA) Rio de Janeiro, Brazil

The Institute for Pure and Applied Mathematics (IMPA), invites applications for a two-year postdoctoral position in any field of mathematics, with a monthly take-home salary of R\$6,000 (about US\$3,500 at the current exchange rate). Candidates must have obtained their Ph.D. degrees after March 31, 2006. IMPA, located in Rio de Janeiro, Brazil, is widely recognized as one of the leading mathematical research centers worldwide. Its main goal is the generation of high-level mathematical

Suggested uses for classified advertising are positions available, books or lecture notes for sale, books being sought, exchange or rental of houses, and typing services.

The 2010 rate is \$3.25 per word. No discounts for multiple ads or the same ad in consecutive issues. For an additional \$10 charge, announcements can be placed anonymously. Correspondence will be forwarded.

Advertisements in the "Positions Available" classified section will be set with a minimum one-line headline, consisting of the institution name above body copy, unless additional headline copy is specified by the advertiser. Headlines will be centered in boldface at no extra charge. Ads will appear in the language in which they are submitted.

There are no member discounts for classified ads. Dictation over the telephone will not be accepted for classified ads.

Upcoming deadlines for classified advertising are as follows: March 2010 issue–December 28, 2009; April 2010 issue–January 28, 2010; May 2010 issue–February 26, 2010; June/July 2010 issue–April 28, 2010; August 2010 issue–May 28, 2010; September 2010–June 28, 2010.

U.S. laws prohibit discrimination in employment on the basis of color, age, sex, race, religion, or national origin. "Positions Available" advertisements from institutions outside the U.S. cannot be published unless they are accompanied by a statement that the institution does not discriminate on these grounds whether or not it is subject to U.S. laws. Details and specific wording may be found on page 536 (vol. 56).

Situations wanted advertisements from involuntarily unemployed mathematicians are accepted under certain conditions for free publication. Call toll-free 800-321-4AMS (321-4267) in the U.S. and Canada or 401-455-4084 worldwide for further information.

Submission: Promotions Department, AMS, P.O. Box 6248, Providence, Rhode Island 02940; or via fax: 401-331-3842; or send email to classes@ams.org. AMS location for express delivery packages is 201 Charles Street, Providence, Rhode Island 02904. Advertisers will be billed upon publication.

research. It offers also graduate level programs at the Ph.D. and MSc level. Currently, its faculty includes specialists in Real and Complex Dynamical Systems, Analysis, Algebra, Geometry, Probability, Fluid Dynamics, Optimization, Mathematical Economics, and Computer Graphics. Applications should be sent to: opening@impa.br until March 31, 2010. Further inquiries should be addressed to the same email address. For information on application submissions, see: <http://www.impa.br/abrems/en/pesquisa/postdoc/opening.html>.

KOREA

**POHANG UNIVERSITY OF SCIENCE AND TECHNOLOGY (POSTECH)
Department of Mathematics
P-Assistant Professorship Positions**

The department of mathematics at Pohang University of Science and Technology (POSTECH) solicits applications for non-tenure-track P-Assistant Professorship. All areas of pure and applied mathematics are considered. Applicants are expected to have demonstrated exceptional research potential, including major contributions beyond or through the doctoral dissertation. The applicants should be within the first 4 years of their research activities since gaining their Ph.D. degrees. No linguistic ability in Korean is required for successful candidates who are fluent in English.

The P-Assistant Professorship is a two-year position and is non-renewable. Exceptional research performance during the two years may warrant considerations for possible tenure-track appointment. The annual salary is up to 60,000,000 KRW. An on-campus apartment unit may be provided at a low cost.

This position will remain open until it is filled.

Applicants should submit;

- A signed cover letter
- A curriculum vitae
- A description of research
- Three letters of recommendation sent directly by recommenders
- Copies of publications including the Ph.D. dissertation

Please have your applications sent to:
Chair, Department of Mathematics
Pohang University of Science and Technology
Pohang, 790-784
The Republic of Korea;
fax: +82-54-279-2799;
phone: +82-54-279-2302;

Inquiries can be made to:

Yong-kyoo Lee (Mr.)
Department Administrative Manager;
email: ykyoo@postech.ac.kr.

**POHANG UNIVERSITY OF SCIENCE AND TECHNOLOGY (POSTECH)
Department of Mathematics
Tenure-track Faculty Positions
Available**

The Department of Mathematics at Pohang University of Science and Technology (POSTECH) invites applications for several tenure-track faculty positions in any areas of Pure and Applied Mathematics including Statistics. The positions are primarily at the Assistant Professor level, although senior candidates with strong credentials will also be considered. The positions are open to mathematicians of any nationality who are fluent in English, and applications are accepted throughout the year. To be considered for Spring & Fall, they must be received by early January & early July, respectively. New faculty members are provided with a competitive benefits package and free use of faculty apartments for ten years.

POSTECH was founded in 1986 by the world-leading steel company, POSCO, and is an internationally renowned academic institution dedicated to education and research in science and engineering. Successful candidates are expected to establish strong research programs and to excel in teaching at both the undergraduate and graduate levels.

- Qualification: Applicants must hold a Ph.D. in Mathematics or a related discipline with an outstanding research record and should be able to teach in English.
- Applicants should submit
 - A signed cover letter
 - A curriculum vitae
 - A description of research
 - Three letters of recommendation sent directly by recommenders
 - Copies of publications including the Ph.D. dissertation
