Positions available, items for sale, services available, and more

CALIFORNIA
MATHEMATICAL SCIENCES RESEARCH INSTITUTE
Berkeley, CA

MSRI invites applications for 40 Research Professors, 200 Research Members, and 30 semester-long Post-Doctoral Fellows in the following programs: Quantitative Geometry (August 15 to December 16, 2011), and Random Spatial Processes (January 09, 2012 to May 18, 2012). In addition a very small number of positions may be available as part of our Complementary Program. Research Professorships are intended for senior researchers who will be making key contributions to a program, including the mentoring of postdoctoral fellows, and who will be in residence for three or more months. Research Memberships are intended for researchers who will be making contributions to a program and who will be in residence for one or more months. Post-Doctoral Fellowships are intended for recent Ph.D.s. Interested individuals should carefully describe the purpose of their proposed visit, and indicate why a residency at MSRI will advance their research program. To receive full consideration, application must be complete, including all letters of support by the following deadlines: Research Professorships, October 01, 2010; Research Memberships, December 01, 2010; Post-Doctoral Fellowships, December 01, 2010. Application information: http://www.msri.org/propapps/applications/application_material. The Institute is committed to the principles of Equal Opportunity and Affirmative Action.

TEXAS
TEXAS A&M UNIVERSITY
The Department of Mathematics

The Department of Mathematics anticipates up to six openings for postdoctoral positions at the level of Visiting Assistant Professor, subject to budgetary approval. Our Visiting Assistant Professor positions are three-year appointments and carry a three-course-per-year teaching load. They are intended for those who have recently received their Ph.D.s and preference will be given to mathematicians whose research interests are close to those of our regular faculty members. We also anticipate up to six short-term (semester or year-long) visiting positions at various ranks, depending on budget. A complete dossier should be received by December 15, 2010. Early applications are encouraged since the department will start the review process in October 2010. Applicants should send the completed “AMS Application Cover Sheet”, a vita, a summary statement of research and teaching experience, and arrange to have letters of recommendation sent to: Faculty Hiring, Department of Mathematics, Texas A&M University, 3368 TAMU, College Station, Texas 77843-3368. Further information can be obtained from: http://www.math.tamu.edu/hiring.

Texas A&M University is an Equal Opportunity Employer. The university is dedicated to the goal of building a culturally diverse and pluralistic faculty and staff committed to teaching and working in a multicultural environment, and strongly encourages applications from women, minorities, individuals with disabilities, and veterans. The university is responsive to the needs of dual career couples.

CANADA
UNIVERSITY OF BRITISH CO LUMBIA
Mathematics Department

The Mathematics Department at the University of British Columbia is seeking outstanding candidates for at least one position, subject to funding, at the tenure-track Assistant Professor level, with a starting date of July 1, 2011. Exceptional candidates at the Associate Professor or Full Professor level may be considered. Postdoctoral experience is normally expected and a Ph.D. is required. Priority research areas are Partial Differential Equations and Probability. More detail on hiring priorities will be posted by September 1, 2010, at: http://www.math.ubc.ca/Dept/ Jobs/priorities. In any event, exceptional candidates in any area of mathematics may be considered. Joint

Suggested uses for classified advertising are positions available, books or lecture notes for sale, books being sought, exchange or rental of houses, and typing services.

The 2010 rate is $3.25 per word. No discounts for multiple ads or the same ad in consecutive issues. For an additional $10 charge, announcements can be placed anonymously. Correspondence will be forwarded.

Advertisements in the “Positions Available” classified section will be set with a minimum one-line headline, consisting of the institution name above body copy, unless additional headline copy is specified by the advertiser. Headlines will be centered in boldface at no extra charge. Ads will appear in the language in which they are submitted.

There are no member discounts for classified ads. Dictation over the telephone will not be accepted for classified ads.

Upcoming deadlines for classified advertising are as follows: October 2010 issue–July 29, 2010; November 2010 issue–August 30, 2010; December 2010 issue–September 28, 2010; January 2011 issue–October 28, 2010; February 2011 issue–November 29, 2010; March 2011 issue–December 28, 2010. U.S. laws prohibit discrimination in employment on the basis of color, age, sex, race, religion, or national origin. “Positions Available” advertisements from institutions outside the U.S. cannot be published unless they are accompanied by a statement that the institution does not discriminate on these grounds whether or not it is subject to U.S. laws. Details and specific wording may be found on page 1373 (vol. 44).

Situations wanted advertisements from involuntarily unemployed mathematicians are accepted under certain conditions for free publication. Call toll-free 800-321-4AMS (321-4267) in the U.S. and Canada or 401-455-4084 worldwide for further information.

Submission: Promotions Department, AMS, P.O. Box 6248, Providence, Rhode Island 02940; or via fax: 401-331-3842; or send email to clas sads@ams.org. AMS location for express delivery packages is 201 Charles Street, Providence, Rhode Island 20904. Advertisers will be billed upon publication.

1048 Notices of the AMS  Volume 57, Number 8
positions with other departments may also be possible.

The successful applicant is expected to work in an area of interest to current faculty, to interact with related groups in the department, and to have demonstrated interest and ability in teaching. The salary will be commensurate with experience and research record.

Applicants are strongly encouraged to apply online; submissions can be made at: http://www.mathjobs.org/.

Alternatively, applicants may send a current CV including a list of publications, statement of research and teaching interests, a teaching dossier or similar work in an area of interest to current faculty, to interact with related groups in the department, and to have demonstrated interest and ability in teaching. The salary will be commensurate with experience and research record.
