CALIFORNIA

MATHEMATICAL SCIENCES RESEARCH INSTITUTE Berkeley, CA

MSRI invites applications for 40 Research Professors, 200 Research Members, and 30 semester-long Post-Doctoral Fellows in the following programs: Quantitative Geometry (August 15 to December 16, 2011), and Random Spatial Processes (January 09, 2012 to May 18, 2012). In addition a very small number of positions may be available as part of our Complementary Program. Research Professorships are intended for senior researchers who will be making key contributions to a program, including the mentoring of postdoctoral fellows, and who will be in residence for three or more months. Research Memberships are intended for researchers who will be making contributions to a program and who will be in residence for one or more months. Post-Doctoral Fellowships are intended for recent Ph.D.s. Interested individuals should carefully describe the purpose of their proposed visit, and indicate why a residency at MSRI will advance their research program. To receive full consideration, application must be complete, including all letters of support by the following deadlines: Research Professorships, October 01, 2010; Research Memberships, December 01, 2010; Post-Doctoral Fellowships, December 01, 2010. Application information: http://www.msri.org/propapps/applications/application_material. The Institute is

committed to the principles of Equal Opportunity and Affirmative Action.

TEXAS

TEXAS A&M UNIVERSITY The Department of Mathematics

The Department of Mathematics anticipates up to six openings for postdoctoral positions at the level of Visiting Assistant Professor, subject to budgetary approval. Our Visiting Assistant Professor positions are three-year appointments and carry a three-course-per-year teaching load. They are intended for those who have recently received their Ph.D.s and preference will be given to mathematicians whose research interests are close to those of our regular faculty members. We also anticipate up to six short-term (semester or year-long) visiting positions at various ranks, depending on budget. A complete dossier should be received by December 15, 2010. Early applications are encouraged since the department will start the review process in October 2010. Applicants should send the completed "AMS Application Cover Sheet", a vita, a summary statement of research and teaching experience, and arrange to have letters of recommendation sent to: Faculty Hiring, Department of Mathematics, Texas A&M University, 3368 TAMU, College Station, Texas 77843-3368. Further information

can be obtained from: <http://www.math.tamu.edu/hiring>.

Texas A&M University is an Equal Opportunity Employer. The university is dedicated to the goal of building a culturally diverse and pluralistic faculty and staff committed to teaching and working in a multicultural environment, and strongly encourages applications from women, minorities, individuals with disabilities, and veterans. The university is responsive to the needs of dual career couples.

CANADA

UNIVERSITY OF BRITISH COLUMBIA Mathematics Department

The Mathematics Department at the University of British Columbia is seeking outstanding candidates for at least one position, subject to funding, at the tenure-track Assistant Professor level, with a starting date of July 1, 2011. Exceptional candidates at the Associate Professor or Full Professor level may be considered. Postdoctoral experience is normally expected and a Ph.D. is required. Priority research areas are Partial Differential Equations and Probability. More detail on hiring priorities will be posted by September 1, 2010, at: <http://www.math.ubc.ca/Dept/Jobs/priorities>. In any event, exceptional candidates in any area of mathematics may be considered. Joint

Suggested uses for classified advertising are positions available, books or lecture notes for sale, books being sought, exchange or rental of houses, and typing services.

The 2010 rate is \$3.25 per word. No discounts for multiple ads or the same ad in consecutive issues. For an additional \$10 charge, announcements can be placed anonymously. Correspondence will be forwarded.

Advertisements in the "Positions Available" classified section will be set with a minimum one-line headline, consisting of the institution name above body copy, unless additional headline copy is specified by the advertiser. Headlines will be centered in boldface at no extra charge. Ads will appear in the language in which they are submitted.

There are no member discounts for classified ads. Dictation over the telephone will not be accepted for classified ads.

Upcoming deadlines for classified advertising are as follows: October 2010 issue—July 29, 2010; November 2010 issue—August 30, 2010; December 2010 issue—September 28, 2010; January 2011 issue—October 28, 2010; Febru-

ary 2011 issue—November 29, 2010; March 2011 issue—December 28, 2010. **U.S. laws prohibit** discrimination in employment on the basis of color, age, sex, race, religion, or national origin. "Positions Available" advertisements from institutions outside the U.S. cannot be published unless they are accompanied by a statement that the institution does not discriminate on these grounds whether or not it is subject to U.S. laws. Details and specific wording may be found on page 1373 (vol. 44).

Situations wanted advertisements from involuntarily unemployed mathematicians are accepted under certain conditions for free publication. Call toll-free 800-321-4AMS (321-4267) in the U.S. and Canada or 401-455-4084 worldwide for further information.

Submission: Promotions Department, AMS, P.O. Box 6248, Providence, Rhode Island 02940; or via fax: 401-331-3842; or send email to classads@ams.org. AMS location for express delivery packages is 201 Charles Street, Providence, Rhode Island 2904. Advertisers will be billed upon publication.

positions with other departments may also be possible.

The successful applicant is expected to work in an area of interest to current faculty, to interact with related groups in the department, and to have demonstrated interest and ability in teaching. The salary will be commensurate with experience and research record.

Applicants are strongly encouraged to apply online; submissions can be made at: <http://www.mathjobs.org/>.

Alternatively, applicants may send a current CV including a list of publications, statement of research and teaching interests, a teaching dossier or similar record of teaching experience, and should arrange for three letters of recommendation to be sent directly to:

Chair, Departmental Committee on Appointments
Department of Mathematics
#121-1984 Mathematics Road
University of British Columbia
Vancouver, B.C., Canada, V6T 1Z2

In order to ensure full consideration, applications should be received by November 15, 2010.

The department has strong connections with other mathematical institutes, such as the Pacific Institute for the Mathematical Sciences (PIMS), Mathematics of Information Technology and Complex Systems (MITACS), Banff International Research Station (BIRS), and the UBC Institute of Applied Mathematics (IAM). For more information see: <http://www.math.ubc.ca>.

The University of British Columbia hires on the basis of merit and is committed to employment equity. We encourage all qualified persons to apply; however Canadian citizens and permanent residents will be given priority. We strongly encourage candidates from underrepresented groups to apply, including women, visible minorities, people of aboriginal origin, and people with disabilities.

ENGLAND

UNIVERSITY OF BRISTOL, UK
Chairs
Professorial Grade Salary
Bristol

The University of Bristol is seeking applications for the following three newly established positions:

- Professor/Reader in Algebraic/Arithmetic Geometry
- Professor/Reader in Combinatorics
- Professor/Reader in Probability Theory

These positions form part of the university's strategic expansion in research areas that complement existing strengths in Pure Mathematics and Statistics at Bristol. The successful candidates will be

expected to build up and lead a research group of the highest international level.

The School of Mathematics is one of the leading centres for research and teaching in mathematics in the UK. There are groups working in Applied Mathematics, Pure Mathematics, and Statistics. In the 2008 Research Assessment Exercise (RAE), Applied Mathematics ranked third, Pure Mathematics ranked joint fifth, and Statistics ranked joint fourth in terms of grade-point average. Furthermore, the school has close links with the Heilbronn Institute for Mathematical Research, which is based in Bristol and runs a coordinated series of research programmes, conferences and workshops. (See http://www.maths.bris.ac.uk/research/heilbronn_institute).

Women are currently underrepresented in the School of Mathematics, therefore we particularly welcome applications from women for these posts. The university has numerous family-friendly policies which can be found on the Positive Working Environment website: <http://www.bris.ac.uk/pwe>.

In order to receive full attention, applications should be received by 9:00 a.m. on Friday, October 1, 2010.

To discuss any aspect of the posts, please contact Professor Guy Nason, Head of the School of Mathematics and Academic Secretary to the Appointment Committee. Telephone: +44 (0)117 928 8633; email: hod-maths@bristol.ac.uk.

Alternatively, please feel free to contact any of the people listed below for informal discussions with respect to the posts:

Professor M. van den Berg, Head of the Pure Mathematics Group: +44 (0)117 331 1666; email: m.vandenberg@bristol.ac.uk.

Professor C. Andrieu, Head of the Statistics Group: +44 (0)117 928 9134; email: c.andrieu@bristol.ac.uk.

Prof. T. Wooley, FRS, Associate Director of the Heilbronn Institute: +44 (0)117 331 5240; email: trevor.wooley@bristol.ac.uk.

For further details and an application form, please click on the "apply now" button. Alternatively you can email: recruitment@bristol.ac.uk or telephone +44 (0)117 954 6947, quoting the reference number 15489.

The closing date for applications is 9:00 a.m., October 1, 2010.

EXCELLENCE THROUGH DIVERSITY

000033

KOREA

KOREA INSTITUTE FOR ADVANCED STUDY (KIAS)
Postdoctoral Research Fellowships

The School of Mathematics at the Korea Institute for Advanced Study (KIAS) invites applicants for the positions at the level

of postdoctoral research fellows in pure and applied mathematics. KIAS, founded in 1996, is committed to the excellence of research in basic sciences (mathematics, theoretical physics, and computational sciences) through high-quality research programs and a strong faculty body consisting of distinguished scientists and visiting scholars. Applicants are expected to have demonstrated exceptional research potential through the doctoral dissertation and beyond. The annual salary ranges from approximately ¥32,000,000–¥46,000,000 (equivalent to US\$29,000-US\$42,000). In addition, research fund in the amount of approximately ¥7,000,000–¥10,000,000 (equivalent to US\$6,400-US\$9,000) is provided each year. Appointments may start as early as March 1, 2011. The initial appointment will be for two years with a possibility of renewal for two additional years. Those interested are encouraged to contact a faculty member in their research areas at <http://www.kias.re.kr/en/about/members.jsp>. Also, for more information please visit http://www.kias.re.kr/en/notice/job_opportunity.jsp. Applicants should send a cover letter specifying the research area, a curriculum vita with a list of publications, and a summary of research plan, and arrange three recommendation letters to be sent to:

School of Mathematics:
Mr. Kang Won Lee (math@kias.re.kr)
KIAS, 207-43 Cheongnyangni-dong
Dongdaemun-gu, Seoul 130-722,
Korea

Email applications are strongly encouraged. We review the applications twice a year; the deadlines are June 30 and December 31.
