## FLORIDA

### FLORIDA INTERNATIONAL UNIVERSITY Department of Mathematics and Statistics

Florida International University (FIU) is a multi-campus public research university located in Miami, a vibrant, international city. FIU offers more than 180 baccalaureate, master's, professional, and doctoral degree programs to over 42,000 students. As one of South Florida's anchor institutions, FIU is worlds ahead in its local and global engagement and is committed to finding solutions to the most challenging problems of our times.

The Department of Mathematics and Statistics at FIU invites applications for three positions beginning Fall 2011:

1. Applied Mathematics: Open Rank.
2. Applied Mathematics: Assistant Professor.
3. Mathematics Education: Instructor/Assistant/Associate Professor.

Qualifications for the positions at assistant professor level or higher include Ph.D. in mathematics and outstanding record in research and teaching. Established record of funded research and successful Ph.D. student supervisions is a plus.

Duties for the third position include curriculum development and teaching innovation <http://scholar.google.com/>

[scholar?q=curriculum+development+and+teaching++innovation&hl=en&as\\_sdt=0&as\\_vis=1&oi=scholar](http://scholar.google.com/?q=curriculum+development+and+teaching++innovation&hl=en&as_sdt=0&as_vis=1&oi=scholar) in a variety of undergraduate courses including college algebra. Senior candidates with a Ph.D. and experience in math education research are also welcome to apply. A master's degree or higher in mathematics is required for the position at instructor level.

To apply, send an application letter, curriculum vita and at least three letters of reference to:

Recruitment Committee  
Department of Mathematics and  
Statistics  
Florida International University  
MMC  
11200 S.W. 8th Street  
Miami, Florida 33199

Review of applications will start on February 01, 2011, and will continue until the positions are filled. For more information, please visit <http://www.fiu.edu> and <http://casgroup.fiu.edu/mathstatistics>.

FIU is a member of the State University System of Florida and is an Equal Opportunity, Equal Access Affirmative Action Employer.

**Suggested** uses for classified advertising are positions available, books or lecture notes for sale, books being sought, exchange or rental of houses, and typing services.

**The 2010 rate is** \$3.25 per word. No discounts for multiple ads or the same ad in consecutive issues. For an additional \$10 charge, announcements can be placed anonymously. Correspondence will be forwarded.

Advertisements in the "Positions Available" classified section will be set with a minimum one-line headline, consisting of the institution name above body copy, unless additional headline copy is specified by the advertiser. Headlines will be centered in boldface at no extra charge. Ads will appear in the language in which they are submitted.

There are no member discounts for classified ads. Dictation over the telephone will not be accepted for classified ads.

**Upcoming deadlines** for classified advertising are as follows: March 2011 issue-December 28, 2010; April 2011 issue-January 30, 2011; May 2011 issue-February 28 2011; June/July 2011 issue-April 28, 2011;

August 2011 issue-May 27, 2010; September 2011 issue-June 28, 2011. **U.S. laws prohibit** discrimination in employment on the basis of color, age, sex, race, religion, or national origin. "Positions Available" advertisements from institutions outside the U.S. cannot be published unless they are accompanied by a statement that the institution does not discriminate on these grounds whether or not it is subject to U.S. laws. Details and specific wording may be found on page 1373 (vol. 44).

**Situations wanted advertisements** from involuntarily unemployed mathematicians are accepted under certain conditions for free publication. Call toll-free 800-321-4AMS (321-4267) in the U.S. and Canada or 401-455-4084 worldwide for further information.

**Submission:** Promotions Department, AMS, P.O. Box 6248, Providence, Rhode Island 02940; or via fax: 401-331-3842; or send email to [classads@ams.org](mailto:classads@ams.org). AMS location for express delivery packages is 201 Charles Street, Providence, Rhode Island 02904. Advertisers will be billed upon publication.

2565 The Mall  
Honolulu, HI 96822

Review of applications will begin Nov. 7, 2010. Applications will be accepted until the positions are filled.

Minimum Qualifications: Ph.D. from a college or university of recognized standing in mathematics or equivalent, evidence of research and/or scholarly achievement, evidence of teaching excellence, poise and good address for meeting and conferring with others. Desirable qualifications: post-doctoral experience, ability to enhance the department's reputation for excellence in both research and the teaching of graduate and undergraduate courses, external grant support for research.

## KANSAS

---

### KANSAS STATE UNIVERSITY Department of Mathematics

Applications are invited for a Visiting Assistant Professorship commencing August 7, 2011. This will be an annual appointment with the possibility of two subsequent one-year appointments depending on performance, funding, and need of services. A Ph.D. in mathematics or a Ph.D. dissertation accepted with only formalities to be completed is required by the time of appointment. The department seeks candidates whose research interests are in geometry. The successful candidate should have strong research credentials as well as strong accomplishments or promise in teaching, and should value working with colleagues and students from diverse backgrounds. Applicants must submit the following: A letter of application, curriculum vita, outline of teaching philosophy, a statement of research objectives, and four letters of reference, at least one of which addresses the applicant's teaching ability or potential. All application materials must be submitted electronically via <http://www.mathjobs.org>. Screening of applications begins December 17, 2010, and continues until position is closed. Kansas State University is an Equal Opportunity Employer and actively seeks diversity among its employees and encourages applications from women and minorities. A background check is required.

## VIRGINIA

---

### UNIVERSITY OF VIRGINIA Department of Mathematics

The Department of Mathematics at the University of Virginia invites applications for a Whyburn Instructorship beginning August 25, 2011. This position carries a three-year appointment. Preference will be given to candidates who have received their Ph.D. within the last three years. Candidates must have a Ph.D. by the date

of hire, an outstanding research record, and demonstrated teaching success.

Preference will be given to researchers working in an area of ANALYSIS covered by the department. In the cover letter, it will be very helpful to indicate which members of our department are closest to YOUR research interests. See <http://artsandsciences.virginia.edu/mathematics/research/researchguide/index.html>.

To apply, please submit the following required documents electronically through [www.MathJobs.org](http://www.MathJobs.org): A cover letter, an AMS Standard Cover Sheet, a curriculum vitae, a publication list, a description of research, and a statement about teaching interests and experience. The applicant must also have four letters of recommendation submitted, of which one letter must support the applicant's effectiveness as a teacher.

In addition, all candidates are required to complete the Candidate Profile through the University of Virginia's employment system, which is [Jobs@UVA](mailto:Jobs@UVA) (<http://jobs.virginia.edu>); posting number 0606116. Your application process will not be complete until all required documents are available on MathJobs, and you receive a confirmation number for your Candidate Profile from [Jobs@UVA](mailto:Jobs@UVA).

Priority consideration will be given to applications received by November 15, 2010; however, the position remains open to applications until filled.

Additional information about this position and our department is available on our website: <http://artsandsciences.virginia.edu/mathematics/>.

Women and members of underrepresented groups are encouraged to apply. The University of Virginia is an Affirmative Action/Equal Opportunity Employer and is strongly committed to building diversity within its community.

For more information about the position or institution/company: <http://artsandsciences.virginia.edu/mathematics/aboutus/employment/index.html>.

## TURKEY

---

### KOÇ UNIVERSITY Department of Mathematics Istanbul, Turkey Faculty Positions

Applications and nominations are invited for faculty positions in all areas of mathematics. Appointment will be effective September 1, 2011. Koç University, founded in 1993, is a private Turkish institution of higher education, committed to the pursuit of excellence in both research and teaching. Its aim is to provide a world-class education to a highly select group of students in a liberal arts setting. The medium of instruction is English. Currently, Koç University offers BA/BS degrees in the College of Sciences, Administrative Sciences and Economics, Social Sciences and Humanities, and Engineering, as well as the School of Medicine, Law School, and the School of Health Sciences. Koç University also offers MA/MS and Ph.D. degree programs in many areas including mathematics. Successful candidates are expected to have a strong research and publication record. Information about the faculty and their research activities is available in <http://math.ku.edu.tr>.

The compensation package is competitive. All information on candidates will be kept confidential.

Letter, vitae, and names of references should be sent to:

Prof. Dr. Alphan Sennaroglu  
Dean, College of Sciences  
Koç University, Rumelifeneri Yolu  
34450 Sarıyer-Istanbul, Turkey;  
email: [smartens@ku.edu.tr](mailto:smartens@ku.edu.tr);  
phone: (90-212) 338-1401;  
fax: (90-212) 338-1188
