

# Notices

of the American Mathematical Society

August 2011

Volume 58, Number 7

Directional Regularity vs. Joint Regularity

page 896

A Special Functions Handbook for the Digital Age

page 905

A Tribute to David Blackwell

page 912

Can One Hear the Sound of a Theorem?

page 929

Lincoln Meeting

page 1027

Salt Lake City Meeting

page 1030

About the Cover: Special functions (see page 928)

**NIST Digital Library of Mathematical Functions**  
*companion to the NIST Handbook of Mathematical Functions*

**Project News**  
 2010-05-11 *Handbook published and DLMF goes public*
