**Institute of Mathematics of the Silesian University in Opava
Czech Republic**

The Institute of Mathematics of the Silesian University in Opava invites applications for two postdoctoral positions in mathematics. The applicant should receive his/her Ph.D. on October 1, 2009 or later and should show strong research promise, preferably in the field of Dynamical Systems, but truly exceptional candidates in the other areas may also be considered. The successful candidate will be offered competitive salary with standard benefits (health and social insurance).

The position is taken to be up on October 1, 2012, for the duration of 32 months. A complete application must include curriculum vitae, list of publications, list of active participations at conferences including the titles of contributions, a citation list, and a research statement. He/She should also arrange 2 letters of recommendation to be sent directly to the contact email. Please submit your application to Karel.Hasik@math.slu.cz no later than on July 1, 2012.

We thank all applicants in advance for their interest. Write to Karel.Hasik@math.slu.cz for questions concerning these positions. Silesian University is an Affirmative Action/Equal Opportunity Employer. The positions are offered within a project co-financed by the European Social Fund.
