### UNIVERSITY OF CALIFORNIA, LOS ANGELES Institute for Pure and Applied Mathematics

The Institute for Pure and Applied Mathematics (IPAM) at UCLA is seeking an Associate Director (AD), to begin a two-year appointment on August 1, 2013. The AD is expected to be an active and established research mathematician or scientist in a related field, with experience in conference organization. The primary responsibility of the AD will be running individual programs in coordination with the organizing committees. More information on IPAM's programs can be found at: <http://www.ipam.ucla.edu>. The selected candidate will be encouraged to continue his or her personal research program within the context of the responsibilities to the institute. For a detailed job description and application instructions, go to: <http://www.ipam.ucla.edu/jobopenings/assocdirector.aspx>. Applications will receive fullest consideration if received by February 1, 2013, but we will accept applications as long as the position remains open. UCLA is an Equal Opportunity/Affirmative Action Employer.

### UNIVERSITY OF SOUTHERN CALIFORNIA Department of Mathematics

The Department of Mathematics in the Dana and David Dornsife College of Letters, Arts and Sciences of the University of Southern California seeks to fill positions of Assistant Professor (NTT) of Mathematics with an anticipated start date of August 2013. These are non-tenure-track positions with terms of up to 3 years.

Candidates in all fields of mathematics will be considered. Candidates should demonstrate great promise in research and evidence of strong teaching, and will be required to teach three semester courses per year. Several positions are likely to be available. Applicants should have a doctoral degree in an appropriate field of study.

To apply, please submit the following materials: letter of application and curriculum vitae, including your e-mail address, telephone and fax numbers, preferably with the standardized AMS Cover Sheet. Candidates should also arrange for at least three letters of recommendation to be sent, at least one of which addresses teaching skills. Please submit applications electronically through MathJobs at [www.mathjobs.org](http://www.mathjobs.org). As an alternative and only if necessary, materials can be mailed to:

Search Committee,  
Department of Mathematics,  
Dornsife College of Letters, Arts and Sciences  
University of Southern California,  
3620 Vermont Avenue, KAP 104,  
Los Angeles, CA 90089-2532

In order to be considered for this position, applicants are also required to

submit an electronic USC application; follow this job link or paste in a browser: <https://jobs.usc.edu/applicants/Central?quickFind=66668>.

Review of applications will begin December 15, 2012, and will continue until the positions are filled. Additional information about the USC Dornsife's Department of Mathematics can be found at our website: <http://dornsife.usc.edu/mathematics/>.

USC strongly values diversity and is committed to Equal Opportunity in employment. Women and men, and members of all racial and ethnic groups are encouraged to apply.

**Suggested** uses for classified advertising are positions available, books or lecture notes for sale, books being sought, exchange or rental of houses, and typing services.

**The 2012 rate is** \$3.50 per word with a minimum two-line headline. No discounts for multiple ads or the same ad in consecutive issues. For an additional \$10 charge, announcements can be placed anonymously. Correspondence will be forwarded.

Advertisements in the "Positions Available" classified section will be set with a minimum one-line headline, consisting of the institution name above body copy, unless additional headline copy is specified by the advertiser. Headlines will be centered in boldface at no extra charge. Ads will appear in the language in which they are submitted.

There are no member discounts for classified ads. Dictation over the telephone will not be accepted for classified ads.

**Upcoming deadlines** for classified advertising are as follows: February 2013 issue–November 28, 2012; March 2013 issue–January 2, 2013; April 2013 issue–

January 30, 2013; May 2013–February 28, 2013; June/July 2013 issue–April 26, 2013; August 2013 issue–May 29, 2013.

**U.S. laws prohibit** discrimination in employment on the basis of color, age, sex, race, religion, or national origin. "Positions Available" advertisements from institutions outside the U.S. cannot be published unless they are accompanied by a statement that the institution does not discriminate on these grounds whether or not it is subject to U.S. laws. Details and specific wording may be found on page 1373 (vol. 44).

**Situations wanted advertisements** from involuntarily unemployed mathematicians are accepted under certain conditions for free publication. Call toll-free 800-321-4AMS (321-4267) in the U.S. and Canada or 401-455-4084 worldwide for further information.

**Submission:** Promotions Department, AMS, P.O. Box 6248, Providence, Rhode Island 02940; or via fax: 401-331-3842; or send email to [Classads@ams.org](mailto:Classads@ams.org). AMS location for express delivery packages is 201 Charles Street, Providence, Rhode Island 02904. Advertisers will be billed upon publication.

**MAINE**

---

**UNIVERSITY OF MAINE**  
**Department of Mathematics & Statistics**

The Department of Mathematics & Statistics invites applications for one or more tenure-track, academic-year Assistant Professorships in pure mathematics, effective September 1, 2013. Exceptionally well-qualified candidates whose research interests complement those of the department are strongly encouraged to apply.

A Ph.D. in mathematics is required by date of hire. Candidates are required to have strong commitment to and experience in teaching and research as well as excellent written and oral communication skills.

The University of Maine is the primary graduate institution in the state of Maine. The department offers BA and MA degrees.

More detailed information about the duties and responsibilities of this faculty career opportunity, required application materials, and deadline for application can be found at: <http://www.math.umaine.edu>.

Review of applications will begin December 1, 2012, and continue until the position is filled. UMaine is committed to diversity in our workforce.

The University of Maine is an Equal Employment Opportunity/Affirmative Action Employer.

**MASSACHUSETTS**

---

**BOSTON UNIVERSITY**  
**Department of Mathematics and Statistics**  
**Postdoctoral Position-Number Theory**

The Department of Mathematics and Statistics, at Boston University, invites applications for a three-year postdoctoral position in Number Theory, starting July 2013 (pending budgetary approval). Strong commitment to research and teaching is essential. Submit AMS cover sheet, CV, research statement, teaching statement and at least four letters of recommendation, one of which addresses teaching, to [mathjobs.org](http://mathjobs.org). Alternatively, send all material to Number Theory Postdoctoral Search Committee, Department of Mathematics and Statistics, Boston University, 111 Cummington Mall, Boston, MA 02215. Application deadline: January 15, 2013. Boston University is an Affirmative Action/Equal Opportunity Employer.

**MISSOURI**

---

**UNIVERSITY OF MISSOURI-KANSAS CITY (UMKC)**  
**Department of Mathematics and Statistics**

The Department of Mathematics and Statistics at the University of Missouri-Kansas City (UMKC) seeks applicants for three nine-month faculty positions to start on August 15, 2013. Two of these positions are tenure-track, both at the level of Assistant Professor, with one in statistics (00054406) and one in mathematics (00056606). The third one is a non-tenure-track full-time Teaching Assistant Professor position (00056607). For position 00054406, candidates must have a Ph.D. in statistics or in mathematics with specialization in Statistics by August 2013. For position 00056606, candidates must have a Ph.D. in mathematics with specialization in numerical analysis of PDEs by August 2013. For position 00056607, candidates must have a Ph.D. in mathematics by August 2013 and must demonstrate strong potential to succeed in teaching. Please visit: <http://www.umkc.edu/jobs> for detailed information regarding these positions. UMKC accepts online applications only. It is the fundamental policy of UMKC to provide equal opportunity regardless of race, creed, color, sex, sexual orientation, national origin, age, veteran status, or disability status in all education, employment, and contracted activities. All final candidates will be required to successfully pass a criminal background check prior to beginning employment.

**NEW JERSEY**

---

**PRINCETON UNIVERSITY**  
**Program in Applied and Computational Mathematics**  
**and the Department of Mechanical and Aerospace Engineering**  
**School of Engineering and Applied Science**

The Program in Applied and Computational Mathematics (PACM) and the Department of Mechanical and Aerospace Engineering at Princeton University invite applications for a tenure-track assistant professor position in the general field of applied mathematics in areas relevant to mechanical and aerospace engineering. We are especially interested candidates in nonlinear mechanics, but all areas of expertise relevant to mechanical and aerospace engineering will be considered. Applicants must hold a Ph.D. in mathematics, engineering, physics, or a related field, and have a demonstrated record of excellence in research with evidence of an ability to establish an independent research program. We seek faculty members who

will create a climate that embraces excellence and diversity, with a strong commitment to teaching and mentoring that will enhance the work of the department and attract and retain students of all races, nationalities and genders. We strongly encourage applications from members of all underrepresented groups.

The Program in Applied and Computational Mathematics is an interdisciplinary and interdepartmental program that provides a home for people from many fields and directions, who share a passion for mathematics and its applications. Our core faculty is presently constituted by 11 faculty members, all of whom hold a joint appointment between their home department and PACM; these core faculty also function as an executive committee for PACM in all its important decisions. Drawing from a wide range of departments, from the physical sciences and engineering to the biological sciences, PACM counts an additional 48 Princeton faculty members among its associate faculty; they provide mentoring and advising to our students interested in their fields of expertise. More information can be found at: <http://www.pacm.princeton.edu>.

To ensure full consideration, applications should be received by December 1, 2012, however, we will continue to accept applications until the position is filled. Applicants should submit a curriculum vitae, including a list of publications and presentations, a summary of research accomplishments and future plans, a teaching statement, and contact information for at least three references online at <http://jobs.princeton.edu>. Personal statements that summarize teaching experience and contributions to diversity are encouraged.

Princeton University is an Equal Opportunity Employer and complies with applicable EEO and affirmative action regulations.

---

**HONG KONG**

---

**THE UNIVERSITY OF HONG KONG**  
**MR Post-doctoral Fellow in the Department of Mathematics**  
**(Ref.: 201200919)**

Applications are invited for appointment as Postdoctoral Fellow (2-3 posts) in the Department of Mathematics, from September 1, 2013, or as soon as possible thereafter, on a two-year term and with the possibility of renewal. An earlier start date can be discussed if a successful candidate finds it desirable.

Applicants should possess a Ph.D. degree. Preference will be given to those who have obtained their Ph.D. degrees within the last 6 years and whose areas of expertise fall within the following areas of concentration: algebra and number theory; geometry and lie groups; optimization,

theoretical computer science and information theory; several complex variables and complex geometry; and probability theory, stochastics and mathematical finance. They are expected to show strong potential in mathematical research. The appointees will be associated with the Institute of Mathematical Research (IMR, <http://www0.hku.hk/math/>) and will be primarily engaged in mathematical research. They will also take active roles in the activities of IMR and contribute to the academic activities as assigned by the Head of the Department of Mathematics.

A highly competitive salary commensurate with qualifications and experience will be offered. Annual leave and medical benefits will be provided.

Applicants should send a completed application form, together with a C.V. containing information on educational experience, including the title of the thesis and the name of the thesis supervisor for the Ph.D. degree, professional experience, a list of publications, a survey of past research experience, a description of current research interests and a research plan for the next few years by e-mail to [imrpostdoc@maths.hku.hk](mailto:imrpostdoc@maths.hku.hk). Please indicate clearly **Ref.: 201200919** and (Post-doctoral Fellow (2-3 posts) in the Department of Mathematics) in the subject of the email. Application forms (341/1111) can be obtained at <http://www.hku.hk/apptunit/form-ext.doc>. Further particulars can be obtained at <http://jobs.hku.hk/>. Closes January 31, 2013.

The University thanks applicants for their interest, but advises that only short-listed applicants will be notified of the application result.

The University is an Equal Opportunity Employer and is committed to a No-Smoking Policy.

## SINGAPORE

### NATIONAL UNIVERSITY OF SINGAPORE (NUS)

#### Dean, Faculty of Science

The National University of Singapore (NUS) invites applications for the position of Dean, Faculty of Science. NUS is a multi-campus university of global standing, with distinctive strengths in education and research and an entrepreneurial dimension. It has an enrollment of 26,700 undergraduate and more than 10,500 graduate students from 100 countries. NUS has three Research Centres of Excellence and 22 university-level research institutes and centres, and also enjoys a close association with 16 national-level research institutes and centres. In addition, a spirit of entrepreneurship and innovation promotes creative enterprise university-wide. NUS plays an active role in international academic networks such

as the International Alliance of Research Universities (IARU) and Association of Pacific Rim Universities (APRU). It is ranked among the best universities in the world, and is well-regarded for research and teaching in multiple disciplines. For more information, please visit: <http://www.nus.edu.sg>. The NUS Faculty of Science continues to be a leading hub of research and world-class education. Established in 1929 as a single department, the Faculty has evolved to become one of the largest faculties in NUS with some 4,600 undergraduates, 1,590 graduate students and over 270 research-active academic staff. As a significant member in the global community of leading scientists engaged in fundamental as well as applied research, the Faculty hosts two of Singapore's five Research Centres of Excellence and constantly develops seamless transitions from research discovery to tomorrow's technology. The Faculty of Science embraces talent and fosters the spirit of enterprise. In our vigorous curriculum that spans across six departments, namely biological sciences, chemistry, mathematics, pharmacy, physics and statistics and applied probability, Science graduates have been known to perform exceedingly well in diverse fields and are competent drivers of Singapore's economy. For more information, please visit: <http://www.science.nus.edu.sg>. The university seeks to appoint a scholar, with distinguished academic achievements and outstanding administrative leadership quality as Dean of the Faculty of Science. The dean will lead the Faculty in all administrative and academic matters, including strategic planning, research and program development, funding and implementation of academic review process. The successful candidate is expected to be a dynamic leader with strong management and communication skills. Please submit your curriculum vitae (CV) in confidence to the Dean Search Committee at the following address, including a full list of publications, and a vision statement as well as full contacts of at least five referees, including those who can comment on your scholarship as well as leadership and management qualities. We will approach the nominated referees of shortlisted candidates for confidential reports. The application deadline is February 15, 2013. Shortlisted candidates will be invited for a campus visit.

Science Dean Search Committee

## TAIWAN

### NATIONAL CHENGCHI UNIVERSITY, TAIWAN Department of Mathematical Sciences

The information of our teaching position is as follows: Tenure-Track Faculty financial mathematics/mathematical sciences Requirement:

The successful candidate must hold a doctoral degree and be able to communicate effectively in Chinese.

Interested candidates should send a cover letter and indicate when he/she is available to start the job, together with the following documents.

1. CV
2. A photocopy of diploma and a photocopy of previous job contracts or appointment letters
3. A doctoral dissertation or research publications in the past five years
4. Two letters of recommendation
5. A list of the graduate/undergraduate courses (with syllabi) that the candidate can teach
6. Graduate transcripts (those who have already gotten a university teaching certificate in Taiwan may only need to submit a photocopy of the certificate in lieu of the graduate transcripts)

Screening and hiring process will begin upon receipt of applications and will continue until filled or the absolute deadline of February 15, 2013.

Submit to:

Faculty Search Committee  
Department of Mathematical Sciences  
National Chengchi University  
Wen-Shan, Taipei 11605  
Taiwan;  
fax: 886-2-2938-7905;  
email: [math@nccu.edu.tw](mailto:math@nccu.edu.tw).

All application materials will NOT be returned.
