

ASSOCIATION FOR  
WOMEN IN MATHEMATICS

**The Association for Women in Mathematics (AWM)** is a professional society whose goal is to encourage women and girls to pursue careers in the mathematical sciences, and to promote equal opportunity and equal treatment of women in the mathematical sciences.

**AWM** sponsors a wide variety of activities for women at all levels, from middle school to university faculty. **AWM** programs include research conferences and workshops, lecture series and prizes, travel grants, an essay contest, and day-long workshops for middle and high school girls.

**AWM** is currently accepting nominations for two awards (deadline **April 30**):

- *The Gweneth Humphreys Award for Mentorship of Undergraduate Women in Mathematics*
- *The Louise Hay Award for Contributions to Mathematics Education*

In preparation for our fall election, we also strongly encourage nominations for the following **AWM** officers:

- *President*
- *Clerk*
- *Four Members-at-Large*

Please send your suggestions to *awm@awm-math.org*

Are you interested in helping more girls discover a love of mathematics? Would you like to see more women build successful careers in the field? **Join AWM now and get involved!**
