CALIFORNIA

UNIVERSITY OF CALIFORNIA, IRVINE
Department of Mathematics

The Department of Mathematics at the University of California, Irvine, invites applications to fill an endowed chair position, the UCI Excellence in Teaching Endowed Chair in Mathematics. This chair position is made possible through a gift from the California Community Foundation and provides an annual discretionary research fund to the successful candidate.

The successful candidate, who is expected to be at the full-professor level, will be an excellent research mathematician, with national and international recognition for scholarship, demonstrated excellence in teaching at the undergraduate and graduate levels, and strong commitment to service. Applicants in all areas of mathematics will be considered.

Completed applications must be submitted electronically through Mathjobs (`http://www.mathjobs.org`) and must contain:

(1) AMS cover sheet
(2) Curriculum vitae
(3) Cover letter
(4) Research statement
(5) Teaching statement
(6) Selected reprints and/or preprints
(7) Names of three references

Instructions for the electronic application process can be found at: `http://www.mathjobs.org`.

Applications are welcome at any time. The review process starts March 1, 2013, and will continue until the position is filled.

UCI is an Equal Opportunity Employer committed to excellence through diversity and strongly encourages applications from all qualified applicants, including women and minorities.

MINNESOTA

UNIVERSITY OF MINNESOTA
Institute for Mathematics and its Applications
Director

The Board of Governors of the Institute for Mathematics and its Applications (IMA) and the University of Minnesota seek a new Director of the IMA for an appointment beginning July 2015. Distinguished academic credentials, including a Ph.D. or equivalent and a record of scientific leadership, are required. Candidates should have the qualifications to provide scientific and administrative leadership to the IMA. Salary and length of term as Director of the IMA are negotiable.

The Director will be offered a tenured professorship in an academic department at the University of Minnesota. Applicants should have an outstanding track record of research and teaching accomplishments. The candidate's expertise and documented research activities must demonstrate a strong potential toward enhancing both the department's research and the undergraduate and graduate teaching missions. However, while acting as IMA director, teaching responsibilities are waived and other departmental duties will be determined at the discretion of the department head.

The IMA was established in 1982 with financial support from the National Science Foundation. The Institute connects scientists, engineers, and mathematicians in order to address scientific and technological challenges in a collaborative, engaging environment, developing transformative, new mathematics and exploring its applications, while training the next generation of researchers and educators.

Applications, consisting of a cover letter and curriculum vitae, must be submitted through the `MathJobs.org` website, `https://www.mathjobs.org/jobs/jobs/4603`. Consideration of applications will begin March 15, 2013. Nominations and questions regarding the position

Suggested uses for classified advertising are positions available, books or lecture notes for sale, books being sought, exchange or rental of houses, and typing services.

The 2013 rate is $3.50 per word with a minimum two-line headline. No discounts for multiple ads or the same ad in consecutive issues. For an additional $10 charge, announcements can be placed anonymously. Correspondence will be forwarded.

Advertisements in the "Positions Available" classified section will be set with a minimum one-line headline, consisting of the institution name above body copy, unless additional headline copy is specified by the advertiser. Headlines will be centered in boldface at no extra charge. Ads will appear in the language in which they are submitted.

There are no member discounts for classified ads. Dictation over the telephone will not be accepted for classified ads.

Upcoming deadlines for classified advertising are as follows: May 2013–February 28, 2013; June/July 2013 issue–April 26, 2013; August 2013 issue–May 29, 2013; September 2013 issue–July 1, 2013, October 2013 issue–July 26, 2013; November 2013 issue–August 29, 2013.

U.S. laws prohibit discrimination in employment on the basis of color, age, sex, race, religion, or national origin. "Positions Available" advertisements from institutions outside the U.S. cannot be published unless they are accompanied by a statement that the institution does not discriminate on these grounds whether or not it is subject to U.S. laws. Details and specific wording may be found on page 1373 (vol. 44).

Situations wanted advertisements from involuntarily unemployed mathematicians are accepted under certain conditions for free publication. Call toll-free 800-321-4AMS (321-4267) in the U.S. and Canada or 401-455-4084 worldwide for further information.

Submission: Promotions Department, AMS, P.O. Box 6248, Providence, Rhode Island 02940; or via fax: 401-331-3842; or send email to `classads@ams.org`. AMS location for express delivery packages is 201 Charles Street, Providence, Rhode Island 20904. Advertisers will be billed upon publication.

Please make sure that the AMS *Notices* and *Bulletin* find their new home.

VIRGINIA

VIRGINIA COMMONWEALTH UNIVERSITY
Mathematics and Applied Mathematics

Virginia Commonwealth University invites applications for the position of Chair of the Department of Mathematics and Applied Mathematics. We are looking for an accomplished mathematician who wants to make a difference. The chair must have the vision and skill necessary to lead the department as it expands and strengthens its Ph.D. program, contributes to the university's goal of becoming a leading research university, and continues in its strong commitment to excellence in its undergraduate and graduate programs. The chair will be required to have a well-developed scholarly/research portfolio with evidence of multi-disciplinary applications and external funding appropriate to complement and expand existing expertise in the department. For complete description see http://www.pubinfo.vcu.edu/facjobs/facjob.asp?Item=4760. Submit applications to https://www.mathjobs.org/jobs/jobs/4286. Virginia Commonwealth University is an Equal Opportunity/Affirmative Action Employer. Women, minorities and persons with disabilities are encouraged to apply.

000015

CHILE

PONTIFICIA UNIVERSIDAD CATOLICA DE CHILE
Departamento de Matemáticas

The Department of Mathematics invites applications for one tenure-track position at the Assistant Professor level beginning either March or August 2014. Applicants should have a Ph.D. in mathematics, proven research potential either in pure or applied mathematics, and a strong commitment to teaching and research. The regular teaching load for assistant professors consists of three one-semester courses per year, reduced to two during the first two years. The annual salary will be approximately US$48,000.

Please send a letter indicating your main research interests, potential collaborators in our department (www.mat.puc.cl), detailed curriculum vitae, and three letters of recommendation to:

Monica Musso
Director
Departamento de Matemáticas
Pontificia Universidad Católica de Chile
Av. Vicuña Mackenna 4860
Santiago-CHILE;
fax: (56-2) 552-5916;
email: mmusso@mat.puc.cl.

For full consideration, complete application materials must arrive by June 30, 2013.
