

Call for Applications & Nominations Chief Editor of the *Bulletin*

Applications and nominations are invited for the position of Chief Editor of the *Bulletin of the American Mathematical Society* to commence with the January 2015 issue. The Society seeks an individual with strong mathematical research experience, broad mathematical interests, and a commitment to communicating mathematics to a diverse audience. The applicant must demonstrate excellent editorial judgment and communication skills.

The *Bulletin* publishes expository articles on contemporary mathematical research written in a way that gives insight to mathematicians who may not be experts in the particular topic. Many of the expository articles are invited. The *Bulletin* also publishes reviews of selected books in mathematics and short articles in the Mathematical Perspectives section, both by invitation only.

The *Bulletin* is published quarterly with articles posted individually to the AMS website before appearing in an issue.

The Chief Editor has editorial responsibility for the *Bulletin* within broad guidelines. The Chief Editor is assisted by two boards of associate editors (one for Articles and one for Book Reviews), nominated by the Chief Editor, who help to fashion the contents of the *Bulletin* and solicit material for publication. AMS staff in Providence provide all production support. The Chief Editor will operate from her or his home institution with part-time secretarial support. In order to begin working on the January 2015 issue, some editorial work would begin early in 2014.

Nominations and applications (including curriculum vitae) should be sent by August 30, 2013, to:

Dr. Donald McClure, Executive Director
American Mathematical Society
201 Charles Street
Providence, RI 02904-2294 USA
