

# American Institute of Mathematical Sciences

www.aims.org

## Free access to all AIMS journals

To celebrate Math Awareness Month, you are granted access to all AIMS journal articles in the month of April via

Username: Math

Password: Awareness

The American Institute of Mathematical Sciences is warmly inviting you to participate and contribute as authors, editors, referees and readers, in its 20 journals and 3 book series.

Follow us on Twitter:  
AIM\_Sciences

Space for book  
and journal display  
is available.

## Please enjoy 40% off all AIMS books until June 2014.

New book launched, free access: HCDTE Lecture Notes. Part I

Proceedings for Orlando meeting are available online now.

Order information at  
<http://aims.org/others/order.html>

Contact: [editorial@aims.org](mailto:editorial@aims.org) - (417) 889-0336

## 10th AIMS International Conference

*Madrid - Spain* July 7 - July 11, 2014

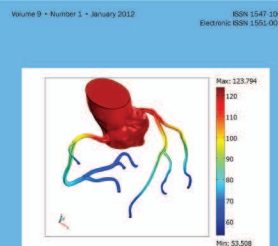

With over 100 high quality symposia, it is the largest event in the fields of differential equations, dynamical systems and applications to real-world problems in the forms of mathematical modeling and computations.

NSF support, pending.

### Invited Main Speakers

Nalini Anantharaman	Zhiming Ma
Diego Córdoba	Philip Maini
Ingrid Daubechies	Sylvia Serfaty
Weinan E	Carles Simó
Charles L. Fefferman	Cédric Villani
Bernold Fiedler	Amie Wilkinson

### MBE: Mathematical Biosciences and Engineering

American Institute of Mathematical Sciences • Beihang University

### Traffic Flow on Networks

Benedetto Piccoli and Matteo Garavoto

American Institute of Mathematical Sciences
