Assistant Professor of Mathematical Finance

The Department of Mathematics at ETH Zurich invites applications for the above-mentioned professorship. The research activities should be related to Mathematical Finance, for example computational and/or statistical and/or probabilistic aspects of quantitative finance and risk management. Duties of this position include an active participation in the teaching of courses for students of mathematics, natural sciences and engineering. The successful candidate holds a PhD degree and has demonstrated the ability to carry out independent research. It is expected to collaborate with colleagues and industry and to teach undergraduate level courses (German or English) and graduate level courses (English).

This assistant professorship has been established to promote the careers of younger scientists. The initial appointment is for four years with the possibility of renewal for an additional two-year period.

Please apply online at www.facultyaffairs.ethz.ch

Applications should include a curriculum vitae, a list of publications, and a statement of your future research and teaching interests. The letter of application should be addressed to the President of ETH Zurich, Prof. Dr. Ralph Eichler. The closing date for applications is 15 April 2014. ETH Zurich is an equal opportunity and family friendly employer and is further responsive to the needs of dual career couples. In order to increase the number of women in leading academic positions, we specifically encourage women to apply.
