

Call for Applications & Nominations Chief Editor of the *Notices*

Applications and nominations are invited for the position of Editor of the *Notices of the American Mathematical Society*, to commence with the January 2016 issue. The Society seeks an individual with strong mathematical research experience, broad mathematical interests, and a commitment to communicating mathematics to a diverse audience at a wide range of levels. The applicant must demonstrate excellent written communication skills.

The Editor has editorial responsibility for a major portion of the *Notices* within broad guidelines. The goal of the *Notices* is to serve all mathematicians by providing a lively and informative magazine containing exposition about mathematics and mathematicians, and information about the profession and the Society.

The Editor is assisted by a board of Associate Editors, nominated by the Editor, who help to fashion the contents of the *Notices* and solicit material for publication. Some writing, and all publication support, will be provided by AMS staff in Providence. The Editor will operate from his or her home institution with part-time secretarial support. In order to begin working on the January 2016 issue, some editorial work would begin in early 2015.

Nominations and applications (including curriculum vitae) should be sent to the Executive Director, Donald E. McClure, at exdir@ams.org. Confidential inquiries may also be sent directly to the Executive Director or to any other member of the search committee (Dan Abramovich, Amber Puha, Carla Savage, or David Vogan).

To receive full consideration, nominations and applications should be sent on or before October 1, 2014.
