

# Student Mathematical Library

The AMS undergraduate series, the Student Mathematical Library, provides books that will spark students' interests in modern mathematics and increase their appreciation for research. Books published in the series emphasize original topics and approaches. The step from mathematical coursework to mathematical research is one of the most important developments in a mathematician's career. To make the transition successfully, the student must be motivated and interested in doing mathematics rather than merely learning it. These books are suitable for honors courses, upper-division seminars, reading courses, or self-study.

For more information on this series visit [ams.org/bookstore/stmlseries](http://ams.org/bookstore/stmlseries)

# Classified Advertisements

*Positions available, items for sale, services available, and more*

## TEXAS

TEXAS A&M UNIVERSITY-KINGSVILLE

Department of Mathematics

Assistant/Associate Professor

000013

The Department of Mathematics invites applications for one full-time tenure-track faculty position to begin in fall 2015. A PhD in mathematics or a closely related field is required from a regionally accredited university or institution. Teaching graduates/undergraduates develop viable and externally fundable research program. For additional information and application process, please

visit: [javjobs.tamuk.edu](http://javjobs.tamuk.edu). An Equal Opportunity/AffirmativeAction/Veterans/Disability Employer.

**Suggested** uses for classified advertising are positions available, books or lecture notes for sale, books being sought, exchange or rental of houses, and typing services.

**The 2015 rate is** \$3.50 per word with a minimum two-line headline. No discounts for multiple ads or the same ad in consecutive issues. For an additional \$10 charge, announcements can be placed anonymously. Correspondence will be forwarded.

Advertisements in the "Positions Available" classified section will be set with a minimum one-line headline, consisting of the institution name above body copy, unless additional headline copy is specified by the advertiser. Headlines will be centered in boldface at no extra charge. Ads will appear in the language in which they are submitted.

There are no member discounts for classified ads. Dictation over the telephone will not be accepted for classified ads.

**Upcoming deadlines** for classified advertising are as follows: April 2015 issue-January 29, 2015; May 2015 issue-March 2, 2015; June/July 2015 issue-April 29, 2015; August 2015 issue-May 29, 2015; September 2015 issue-June 29, 2015; October 2015-July 29, 2015.

**U.S. laws prohibit** discrimination in employment on the basis of color, age, sex, race, religion, or national origin. "Positions Available" advertisements from institutions outside the US cannot be published unless they are accompanied by a statement that the institution does not discriminate on these grounds whether or not it is subject to US laws. Details and specific wording may be found on page 1373 (vol. 44).

**Situations wanted advertisements** from involuntarily unemployed mathematicians are accepted under certain conditions for free publication. Call toll-free 800-321-4AMS (321-4267) in the US and Canada or 401-455-4084 worldwide for further information.

**Submission:** Promotions Department, AMS, P.O. Box 6248, Providence, Rhode Island 02904; or via fax: 401-331-3842; or send email to [classads@ams.org](mailto:classads@ams.org). AMS location for express delivery packages is 201 Charles Street, Providence, Rhode Island 02904. Advertisers will be billed upon publication.
