The Reference section is intended to provide readers with frequently sought information in an easily accessible format. New information is printed as it becomes available and is referenced after its first printing.

Contacting the Notices
The preferred method for contacting the Notices is e-mail.

The editor-in-chief, Steven G. Krantz, should be contacted about articles for consideration. Articles include features, memorial, communications, opinion pieces, and book reviews. The editor is also the person to whom to send news of unusual interest about other people's mathematics research. Contact the editor-in-chief at: notices@math.wustl.edu.

The managing editor, Rachel L. Rossi, should be contacted for additions to "Mathematics People", "Mathematics Opportunities", "For Your Information", and for any corrections. Contact the managing editor at: notices@ams.org.

Letters to the editor should be sent to: notices-letters@ams.org.

Permissions requests should be sent to: reprint-permission@ams.org.

Advertising requests should be sent to: notices-ads@ams.org.

Math Calendar additions should be sent to: mathcal@ams.org.

Book List additions should be sent to: notices-booklist@ams.org.

For full contact information, including postal addresses, see: www.ams.org/notices/contact.html.
