CALIFORNIA

**CALIFORNIA STATE UNIVERSITY,
SAN BERNARDINO
Department of Mathematics
Assistant Professor Tenure-Track**

The Department of Mathematics at California State University, San Bernardino, invites applications for assistant professor tenure-track positions in Mathematics to begin in September 2016. Applicants must have earned a PhD in mathematics by September 14, 2016. Formal review of applications will begin on December 15, 2015, and continue until the positions are filled. For a complete description of these positions, and to submit an application, please see <https://www.governmentjobs.com/jobs/1200572/Instructional-faculty-mathematics>

**UNIVERSITY OF CALIFORNIA,
SANTA BARBARA
Tenure-Track Position**

The Department of Statistics and Applied Probability invites applications for a tenure track Assistant Professor position in statistics, starting July 1, 2016. Qualifications: research and teaching excellence, and PhD in statistics, biostatistics and/or related fields. Preference will be given for research on methodology and applications

**UNIVERSITY OF CALIFORNIA,
SANTA BARBARA
Tenure-Track Position**

The Department of Statistics and Applied Probability invites applications for a tenure track Assistant Professor position in Probability (#SAPP16A) (particularly Mathematical Finance and Risk Management), starting July 1, 2016. Qualifications: research and teaching excellence, and PhD

**UNIVERSITY OF SOUTHERN CALIFORNIA
IN LOS ANGELES
Department of Mathematics**

The Department of Mathematics in the Dana and David Dornsife College of Letters, Arts, and Sciences of the University of Southern California in Los Angeles, California, seeks to fill one tenure-track

Suggested uses for classified advertising are positions available, books or lecture notes for sale, books being sought, exchange or rental of houses, and typing services. The publisher reserves the right to reject any advertising not in keeping with the publication's standards. Acceptance shall not be construed as approval of the accuracy or the legality of any advertising.

The 2015 rate is \$3.50 per word with a minimum two-line headline. No discounts for multiple ads or the same ad in consecutive issues. For an additional \$10 charge, announcements can be placed anonymously. Correspondence will be forwarded.

Advertisements in the "Positions Available" classified section will be set with a minimum one-line headline, consisting of the institution name above body copy, unless additional headline copy is specified by the advertiser. Headlines will be centered in boldface at no extra charge. Ads will appear in the language in which they are submitted.

There are no member discounts for classified ads. Dictation over the telephone will not be accepted for classified ads.

Upcoming deadlines for classified advertising are as follows: January 2016—October 29, 2015; February 2016—December 7, 2015; March 2016—January 1, 2016, April 2016—January 29, 2016, May 2016—March 2, 2016, June 2016—April 29, 2016.

U.S. laws prohibit discrimination in employment on the basis of color, age, sex, race, religion, or national origin. "Positions Available" advertisements from institutions outside the US cannot be published unless they are accompanied by a statement that the institution does not discriminate on these grounds whether or not it is subject to US laws. Details and specific wording may be found on page 1373 (vol. 44).

Situations wanted advertisements from involuntarily unemployed mathematicians are accepted under certain conditions for free publication. Call toll-free 800-321-4AMS (321-4267) in the US and Canada or 401-455-4084 worldwide for further information.

Submission: Promotions Department, AMS, P.O. Box 6248, Providence, Rhode Island 02904; or via fax: 401-331-3842; or send email to c1assads@ams.org. AMS location for express delivery packages is 201 Charles Street, Providence, Rhode Island 02904. Advertisers will be billed upon publication.

Assistant Professor position with an anticipated start date of August 2016.

The department is particularly interested in mathematicians specializing in the general areas of geometry and topology, but outstanding candidates in all areas of mathematics may also be considered. Candidates should have demonstrated excellence in research and a strong commitment to graduate and undergraduate education. A doctoral degree is required at the time of appointment.

To apply, please submit the following materials: letter of application and curriculum vitae, including your email address, telephone numbers, preferably with the standardized AMS Cover Sheet. Candidates should also arrange for at least three letters of recommendation that address research, at least one of which also addresses teaching skills. Please submit applications electronically through MathJobs at www.mathjobs.org. In order to be considered for this position, applicants are also required to submit an electronic USC application; follow this job link or paste in a browser: jobs.usc.edu/postings/52978.

Review of applications will begin October 15, 2015. Additional information about the USC Dornsife's Department of Mathematics can be found at our website dornsife.usc.edu/mathematics/.

USC is an Equal-Opportunity Educator and Employer, proudly pluralistic and firmly committed to providing equal opportunity for outstanding persons of every race, gender, creed and background. The University particularly encourages women, members of underrepresented groups, veterans and individuals with disabilities to apply. USC will make reasonable accommodations for qualified individuals with known disabilities unless doing so would result in an undue hardship. Further information is available by contacting uschr@usc.edu.

INDIANA

INDIANA UNIVERSITY Department of Mathematics Zorn Research Postdoctoral Fellowships

Pending budget approval, the Department of Mathematics seeks applications for two Zorn Research Postdoctoral Fellowships beginning in the fall of 2016. These are three-year, nontenure track positions with reduced teaching loads. Outstanding candidates with a recent PhD in any area of pure or applied mathematics are encouraged to apply; a minimum requirement is a PhD in Mathematics. Zorn fellows are paired with mentors with whom they have compatible research interests. The Department maintains strong research groups in all of the principal fields of mathematics. Bloomington is located in the forested

hills of southern Indiana and offers a rich variety of musical and cultural attractions.

Applicants should complete the posting at indiana.peopleadmin.com/postings/1866 and then submit an AMS cover sheet, curriculum vitae, a research statement, and a teaching statement using the online service provided by the AMS at www.mathjobs.org. If unable to do so, you may send application materials to the address below. Applicants should arrange for four letters of recommendation, including one evaluating teaching experience. Please ask reference writers to submit their letters electronically through www.mathjobs.org. If they are unable to do so, they may also send their letters to the following address: Zorn Postdoctoral Fellowships Search Committee, Department of Mathematics, Indiana University, 831 East 3rd Street, Rawles Hall, Bloomington, IN 47405-7106. Applications should be received by January 5, 2016.

Indiana University is an Equal Employment and Affirmative Action Employer and a provider of ADA services. All qualified applicants will receive consideration for employment without regard to age, ethnicity, color, race, religion, sex, sexual orientation or identity, national origin, disability status or protected veteran status.

000061

KANSAS

UNIVERSITY OF KANSAS Mathematics Department

The Department of Mathematics at the University of Kansas invites applications for a tenure-track faculty position in Computational Mathematics. Candidates must demonstrate an outstanding record of research and must be strongly committed to excellence in teaching. Requirements for the positions include a PhD or ABD in mathematics or a closely related field, expected by the start date of the appointment (August 18, 2016).

000057

MARYLAND

JOHNS HOPKINS UNIVERSITY Non-Tenure-Track J. J. Sylvester Assistant Professor

Subject to availability of resources and administrative approval, the Department of Mathematics solicits applications for non-tenure-track Assistant Professor positions beginning fall 2016.

The J. J. Sylvester Assistant Professorship is a three-year position offered to recent PhDs with outstanding research potential. Candidates in all areas of pure mathematics, including analysis, mathematical physics, geometric analysis,

complex and algebraic geometry, number theory, and topology are encouraged to apply. The teaching load is three courses per academic year.

To submit your applications go to www.mathjobs.org/jobs/jhu. Applicants are strongly advised to submit their other materials electronically at this site.

If you do not have computer access, you may mail your application to: Appointments Committee, Department of Mathematics, Johns Hopkins University, 404 Krieger Hall, Baltimore, MD 21218. Applications should include a vita, at least four letters of recommendation of which one specifically comments on teaching, and a description of current and planned research. Write to cpool@jhu.edu for questions concerning these positions.

Applications received by December 1, 2015, will be given priority. Johns Hopkins University is committed to active recruitment of a diverse faculty and student body. The University is an Affirmative Action/Equal Opportunity Employer of women, minorities, protected veterans and individuals with disabilities and encourages applications from these and other protected group members. Consistent with the University's goals of achieving excellence in all areas, we will assess the comprehensive qualifications of each applicant.

MASSACHUSETTS

BOSTON UNIVERSITY Department of Mathematics and Statistics

Tenure Track Position – Number Theory

The Department of Mathematics and Statistics invites applications for a tenure-track Assistant Professor level position in Number Theory. PhD required. The position will begin July 1, 2016. A strong commitment to research and teaching at the undergraduate and graduate levels is essential. A complete application will consist of a cover letter, CV, research statement, teaching statement, four letters of recommendation, at least one of which addresses teaching. Please submit all materials online to mathjobs.org. Alternatively, please have hardcopies mailed to Number Theory Search, Department of Mathematics and Statistics, Boston University, 111 Cummington Mall, Boston, MA 02215. The application deadline December 15, 2015. We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, or any other characteristic protected by law. We are a VEVRAA Federal Contractor.

000065

BOSTON UNIVERSITY
Department of Mathematics and
Statistics
Post Doctoral Position – Geometry and
Mathematical Physics

The Department of Mathematics and Statistics, at Boston University, invites applications for a three-year post-doctoral position in Geometry and Mathematical Physics, starting July 2016. Strong commitment to research and teaching is essential. Please submit all materials to mathjobs.org. Alternatively send a cover letter, curriculum vitae, research statement, teaching statement, and at least four letters of recommendation, one of which addresses teaching, to Geometry and Mathematical Physics Postdoctoral Search Committee, Department of Mathematics and Statistics, Boston University, 111 Cummington Mall, Boston, MA 02215. Application deadline December 15, 2015. We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, or any other characteristic protected by law. We are a VEVRAA Federal Contractor.

000067

NORTHEASTERN UNIVERSITY
Department of Mathematics
Assistant/Associate Professor Tenure-
Track Position

The Department of Mathematics at Northeastern University invites applications for a tenure-track position at the Assistant/Associate Professor level in Applied Mathematics to start as early as fall of 2016.

Appointments will be based on exceptional research contributions in Mathematics combined with a strong commitment and demonstrated success in teaching. Applications from those with an interest and ability to connect across units in the university to the advantage of research at the interface of mathematics and other disciplines are a top priority. Outstanding candidates with research in statistics, probability, discrete mathematics and computational mathematics are encouraged to apply.

Candidates must have a PhD in Mathematics or a related field by the start date, strong record of research, and demonstrated evidence of excellent teaching ability. Responsibilities will include teaching undergraduate and graduate courses, mentoring students and conducting an independent research program.

Review of applications will begin immediately. Complete applications received by November 15, 2015, will be guaranteed full consideration. Additional applications will be considered until the position is filled.

To apply, visit "Careers at Northeastern" at <https://neu.peopleadmin.com>.

Click on "Full-time Faculty Positions" and search for the current position under the College of Science. You can also apply by visiting the College of Science website at www.northeastern.edu/cos and clicking on the "Faculty Positions" button. (Research statements, reference letters, and teaching statements can be submitted to MathJobs along with the other materials requested there for preliminary review by the Search Committee).

Northeastern University is an Equal Opportunity, Affirmative Action Educational Institution and Employer, Title IX University. Northeastern University particularly welcomes applications from minorities, women, and persons with disabilities. Northeastern University is an E-Verify Employer.

000066

WILLIAMS COLLEGE
Department of Mathematics and
Statistics

The Williams College Department of Mathematics and Statistics invites applications for two full-time visiting positions in mathematics for the 2016–2017 year. The teaching load is four courses. Preference will be given to candidates who will have a PhD in mathematics by September 2016.

Applicants can apply electronically at mathjobs.org. Evaluations of applications will begin on or after November 15, and will continue until the position is filled. All offers of employment are contingent upon completion of a background check dean-faculty.williams.edu/prospective-faculty/background-check-policy. For more information on the Department of Mathematics and Statistics, visit math.williams.edu.

Williams College is a coeducational liberal arts institution located in the Berkshire Hills of western Massachusetts. The college has built its reputation on outstanding teaching and scholarship and on the academic excellence of its approximately 2,000 students. Please visit the Williams College website (www.williams.edu). Beyond meeting fully its legal obligations for non-discrimination, Williams College is committed to building a diverse and inclusive community where members from all backgrounds can live, learn, and thrive.

000042

TEXAS

BAYLOR UNIVERSITY
Jean and Ralph Storm
Endowed Chair in Mathematics

The Department of Mathematics invites applications to fill the Jean and Ralph Storm Chair of Mathematics. The successful candidate, who is expected to be at the full-professor level, will be an

excellent mathematician, with national and international recognition for scholarship, demonstrated excellence in teaching at the undergraduate and graduate levels and a history of successful, sustained grantsmanship. This endowed position provides an annual discretionary research fund to the successful candidate. Applications in all areas of mathematics will be considered. Active research areas in the department are in the general areas of algebra, analysis, differential equations, mathematical physics, numerical analysis, computational mathematics, representation theory, and topology. Several faculty in the department are engaged in interdisciplinary research with other departments on campus. Baylor encourages women, minorities, veterans, and individuals with disabilities to apply. Detailed information about the department can be found at www.baylor.edu/math.

To ensure full consideration, complete applications must be submitted by 02/15/16. Applications will be reviewed immediately after this date and will be accepted until the position is filled.

We encourage all applicants to submit their materials online at www.mathjobs.org/jobs. Candidates should possess an earned doctorate in the appropriate field of study. A complete application includes a cover letter of application (please refer to the job number BQ 34499), at least three letters of recommendation, a current curriculum vitae, original doctoral transcripts, and a statement of support for Baylor's Christian mission (see www.baylor.edu/profuturis/), indicating your religious affiliation and a few brief statements about your faith. Alternatively, candidates can arrange for their application materials to be sent directly to: Dr. Lance L. Littlejohn, Department of Mathematics, Baylor University, One Bear Place #97328, Waco, TX 76798-7328.

Baylor University is a private Christian university and a nationally ranked research institution, consistently listed with highest honors among The Chronicle of Higher Education's "Great Colleges to Work For" Chartered in 1845 by the Republic of Texas through the efforts of Baptist pioneers, Baylor is the oldest continuously operating university in Texas. The university provides a vibrant campus community for over 15,000 students from all 50 states and more than 80 countries by blending interdisciplinary research with an international reputation for educational excellence and a faculty commitment to teaching and scholarship. Baylor is actively recruiting new faculty with a strong commitment to the classroom and an equally strong commitment to discovering new knowledge as we pursue our bold vision, Pro Futuris (www.baylor.edu/profuturis/).

Baylor University is a private not-for-profit university affiliated with the Baptist General Convention of Texas. As an Affirmative Action/Equal Opportunity employer, Baylor is committed to compliance

with all applicable anti-discrimination laws, including those regarding age, race, color, sex, national origin, marital status, pregnancy status, military service, genetic information, and disability. As a religious educational institution, Baylor is lawfully permitted to consider an applicant's religion as a selection criterion.

000055

UTAH

UNIVERSITY OF UTAH Department of Mathematics

The Department of Mathematics at the University of Utah invites applications for the following positions:

- Full-time tenure-track or tenured appointments at the level of Assistant, Associate, or Full Professor in all areas of statistics. These positions are part of a University-wide cluster hiring effort in statistics, with particular emphasis in mathematics, computer science, and bioengineering. Successful candidates will have strong interdisciplinary interests.

- Three-year Burgess, Tucker, and Wylie Assistant Professor Lecturer positions.

- Research Training Group (RTG) postdoctoral positions in Algebraic Geometry and Topology. Please see our website at www.math.utah.edu/positions for information regarding available positions and application requirements. Applications must be completed through www.mathjobs.org/jobs/Utah. Completed applications received before January 1, 2016, will receive full consideration. The University of Utah is an Equal Opportunity/Affirmative Action employer and educator. Minorities, women, veterans, and those with disabilities are strongly encouraged to apply. Veterans preference is extended to qualified veterans. Reasonable disability accommodations will be provided with adequate notice. For additional information about the University's commitment to equal opportunity and access see: www.utah.edu/nondiscrimination/.

000046

VIRGINIA

UNIVERSITY OF VIRGINIA Department of Mathematics Open Rank in Mathematics

The Department of Mathematics at the University of Virginia, Charlottesville, VA, invites applications for open rank (tenure-track and tenured) full-time positions, to begin in the Fall semester of 2016. Applicants must present evidence of outstanding accomplishments and promise in both research and teaching. We seek candidates

dedicated to our mission and passionate about teaching in a world-class institution.

In addition to developing external funding to support research endeavors, candidates will be expected to teach at the graduate and undergraduate levels and provide service to the University, Department, and professional organizations. The appointment start date will be August 25, 2016. Applicants must be on track to receive a PhD in the relevant field by May, 2016, and must hold a PhD at the time of appointment. Preference will be given to applicants whose research program is in Analysis or Topology, but all candidates whose research interests complement the strengths of the department's current faculty will be considered. In targeted areas, evidence of computational research is a plus.

To apply candidates must submit a Candidate Profile through Jobs@UVa (<https://jobs.virginia.edu>), search on posting number 0617067 and electronically attach the following: a cover letter of interest describing research agenda and teaching experience, a curriculum vitae, and contact information for four references.

Review of applications will begin November 1, 2015; however, the positions will remain open until filled.

In addition, please submit the following required documents electronically through www.MathJobs.org: A cover letter, an AMS Standard Cover Sheet, a curriculum vitae, a publication list, a description of research, and a statement about teaching interests and experience. The applicant must also have at least four letters of recommendation submitted, of which one must support the applicant's effectiveness as a teacher.

Questions regarding the application process in JOBS@UVA should be directed to: [Zvezdana Kish, zk4g@virginia.edu](mailto:Zvezdana.Kish,zk4g@virginia.edu) (434) 924-9437.

For additional information about the position contact: Math-employment@Virginia.EDU.

The University will perform background checks on all new faculty hires prior to making a final offer of employment.

The University of Virginia is an Equal Opportunity and Affirmative Action Employer. Women, minorities, veterans, and persons with disabilities are encouraged to apply.

000059

UNIVERSITY OF VIRGINIA Department of Mathematics Postdoctoral Fellow and Lecturer in Mathematics

The Department of Mathematics at the University of Virginia invites applications for several postdoctoral positions, including Whyburn Instructorships and the Mary Ann Pitts Postdoctoral Fellow and Lecturer in Mathematics, beginning August 25,

2016. These positions carry a three-year appointment. Preference will be given to candidates who have received their PhD within the last three years. Applicants must be on track to receive a PhD in the relevant field by May, 2016, and must hold a PhD at the time of appointment. Applicants must present evidence of outstanding accomplishments and promise in both research and teaching. Preference will be given to applicants in Commutative Algebra, Mathematical Physics, Probability, Representation Theory, and Topology, but all candidates whose research interests complement the strengths of the department's current faculty will be considered. Information about the department may be found at www.math.virginia.edu.

Review of applications will begin on November 15, 2015; however, the positions will remain open until filled.

To apply candidates must submit a Candidate Profile through Jobs@UVa (<https://jobs.virginia.edu>), search on posting number 0617068 and electronically attach the following: a cover letter of interest describing research agenda and teaching experience, a curriculum vitae, and contact information for four references.

In addition, please submit the following required documents electronically through www.MathJobs.org: A cover letter, an AMS Standard Cover Sheet, a curriculum vitae, a publication list, a description of research, and a statement about teaching interests and experience. The applicant must also have at least four letters of recommendation submitted, of which one must support the applicant's effectiveness as a teacher.

Questions regarding the application process in Jobs@UVA should be directed to: [Zvezdana Kish, zk4g@virginia.edu](mailto:Zvezdana.Kish,zk4g@virginia.edu) (434) 924-9437.

For additional information about the position contact: math-employment@virginia.edu.

The University will perform background checks on all new faculty hires prior to making a final offer of employment.

The University of Virginia is an Equal Opportunity and Affirmative Action Employer. Women, minorities, veterans, and persons with disabilities are encouraged to apply.
