

American Mathematical Society Workshop for Department Chairs and Leaders

*Tuesday, January 6, 2004
Hyatt Regency Hotel, Phoenix, AZ*

A one-day workshop for chairs/leaders of departments of mathematical sciences will be held in conjunction with the Joint Mathematics Meetings in Phoenix, Arizona.

Workshop sessions will focus on a range of issues impacting today's departments and the format encourages group discussion and sharing of ideas and experiences. We encourage more than one person from a department to attend, as many of the issues to be discussed impact departments broadly.

Please register early. Attendance is limited.
