

Corrections to the 2004 Annual Survey of the Mathematical Sciences (First Report)

The counts for fall 2003 graduate students were reported incorrectly in Table 3: Full-time Graduate Students on page 238 of the February 2005 issue of *Notices of the AMS*. Please refer to the revised table below for the corrected counts.

In addition, graduate student counts have been adjusted in the 2003 Annual Survey of the Mathematical Sciences (Third Report) which appeared on page 910 in the September 2004 issue of *Notices of the AMS*. These corrections are available at www.ams.org/employment/03Third-report-Correction.pdf.
