These data are being collected to help inform the mathematical sciences community about the employment experiences of recent doctoral recipients. All responses will be kept confidential. Your help is greatly appreciated.

This survey will take you about 10 minutes to complete. In addition, **if you return a completed survey, you will be eligible to win a US\$500, US\$200, or one of three US\$100 Amazon gift cards.** Your completed survey must be received by the survey deadline in order to be eligible for the drawing which will be held in December 2010.

Please provide the address and email that should be used for notification in the event you are a prize winner.
