

# American Mathematical Society Workshop for Department Chairs and Leaders

*Wednesday, January 5, 2011  
New Orleans, LA*

The annual one-day workshop for chairs/leaders of departments of mathematical sciences will be held in conjunction with the Joint Mathematics Meetings in New Orleans, LA.

Workshop sessions will focus on a range of issues impacting today's departments and the format encourages group discussion and sharing of ideas and experiences. We encourage more than one person from a department to attend, as many of the issues to be discussed impact departments broadly.
