**UNIVERSITY OF CALIFORNIA, IRVINE**  
Department of Mathematics  
Irvine, CA 92697-3875

The Department of Mathematics at the University of California, Irvine invites applications from outstanding candidates for multiple positions, including: tenure-track Assistant Professors, Lecturer with Potential Security of Employment (LPSOE) and Visiting Assistant Professors (VAP). Applicants must hold a PhD.

Tenure-track Assistant Professor position candidates should have demonstrated excellence in research and teaching. The LPSOE series requires, in addition to excellent teaching and service, that the candidate makes outstanding and externally recognized contributions to the development of his or her specific discipline and/or of pedagogy. VAP candidates must show strong promise in research and teaching.

Applications are welcome at any time. The review process starts November 1, 2017 and will continue until positions are filled. Please visit [www.mathjobs.org](http://www.mathjobs.org) for details on positions and the application process.

The University of California, Irvine is an Equal Opportunity/Affirmative Action Employer advancing inclusive excellence. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age, protected veteran status, or other protected categories covered by the UC nondiscrimination policy.

**Tianjin University, China**  
Tenured/Tenure-Track/Postdoctoral  
Positions at The Center  
for Applied Mathematics

Dozens of positions at all levels are available at the recently founded Center for Applied Mathematics, Tianjin University, China. We welcome applicants with backgrounds in pure mathematics, applied mathematics, statistics, computer science, bioinformatics, and other related fields. We also welcome applicants who are interested in practical projects with industries. Despite its name attached with an accent of applied mathematics, we also aim to create a strong presence of pure mathematics. Chinese citizenship is not required.

Light or no teaching load, adequate facilities, spacious office environment, and strong research support. We are prepared to make quick and competitive offers to self-motivated hard workers, and to potential stars, rising stars, as well as shining stars.

The Center for Applied Mathematics, also known as the Tianjin Center for Applied Mathematics (TCAM), located by a lake in the central campus in a building protected as historical architecture, is jointly sponsored by the Tianjin municipal government and the university. The initiative to establish this center was taken by Professor S. S. Chern. Professor Molin Ge is the honorary director, Professor Zhiming Ma is the director of the Advisory Board. Professor William Y. C. Chen serves as the director.

TCAM plans to fill in fifty or more permanent faculty positions in the next few years. In addition, there are a number of temporary and visiting positions. We look forward to receiving your application or inquiry at any time. There are no deadlines.

To apply, send your resume to [zhangry@tju.edu.cn](mailto:zhangry@tju.edu.cn).

For more information, please visit [www.cam.tju.edu.cn](http://www.cam.tju.edu.cn) or contact Ms. Debbie Renyuan Zhang at [zhangry@tju.edu.cn](mailto:zhangry@tju.edu.cn), telephone: 86-22-2740-5389.

**KOREA INSTITUTE FOR  
ADVANCED STUDY (KIAS)**  
Assistant Professor & Research Fellow  
in Pure and Applied Mathematics

The School of Mathematics at the Korea Institute for Advanced Study (KIAS) invites

applicants for the positions at the level of KIAS Assistant Professor and Postdoctoral Research Fellow in pure and applied mathematics. KIAS, founded in 1996, is committed to the excellence of research in basic sciences (mathematics, theoretical physics, and computational sciences) through high-quality research programs and a strong faculty body consisting of distinguished scientists and visiting scholars.

Applicants are expected to have demonstrated exceptional research potential, including major contributions beyond or through the doctoral dissertation.

The annual salary starts from 49,500,000 Korean Won (approximately US\$40,000 at current exchange rate) for Research Fellows, and 56,500,000 Korean Won for KIAS Assistant Professors, respectively. In addition, individual research funds of 10,000,000 ~ 13,000,000 Korean Won are available per year. The initial appointment for the position is for two years and is renewable for up to two additional years, depending on research performance and the needs of the research program at KIAS.

Applications will be reviewed twice a year, May 20 and November 20, and selected applicants will be notified in a month after the review. In exceptional cases, applications can be reviewed other times based on the availability of positions. The starting date of the appointment is negotiable. Applications must include a complete vitae with a cover letter, a list of publications, a research plan, and three letters of recommendation (All documents should be in English). All should be sent by post or e-mail to:

## WISCONSIN

University of Wisconsin–Madison  
Department of Mathematics

The Department of Mathematics is accepting applications for a faculty position beginning August 20, 2018 contingent upon budgetary approval. Rank will be as assistant professor (tenure-track) or associate professor (tenured). Area of specialization open. PhD in mathematics or related field required prior to start of appointment. Faculty members are expected to contribute to the research, teaching, and service missions of the department. Appointment with tenure requires evidence of excellence in scholarly research, teaching and service. Candidates for a tenure-track position should exhibit evidence of outstanding research potential, normally including significant contributions beyond the doctoral dissertation. The teaching responsibility is three courses per academic year, including both undergraduate - and graduate - level courses, and a strong commitment to excellence in instruction is also expected. Additional departmental information is available on our website: [www.math.wisc.edu](http://www.math.wisc.edu). An application packet should include a completed AMS Standard Cover Sheet, a curriculum vitae that includes a publication list, and brief descriptions of research and teaching. Application packets should be submitted electronically to [www.mathjobs.org](http://www.mathjobs.org). Arrangements should be made to have three to four letters of recommendation, at least one of which must discuss the applicant's teaching experiences and capabilities and potential, sent to the above url address. To ensure full consideration, application packets must be received by November 1, 2017. Applications will be accepted until the position is filled. The Department of Mathematics is committed to increasing the number of women and under-represented individuals. The University of Wisconsin–Madison is an Affirmative Action, Equal Opportunity Employer and encourages applications from women and minorities. Unless confidentiality is requested in writing, information regarding the applicants must be released upon request. Finalists cannot be guaranteed confidentiality. A background check will be required prior to employment.
