Doubly Anonymous Refereeing Committee (DARC)

General Description

- Committee is ad hoc
- Number of members is ten, appointed by the President
- Half of the committee members will be representatives from the editorial boards. The other half will be chosen from Council, CPub, and publication staff.
- Term is one year

Principal Activities

At the January 5, 2021 Council meeting, the Council approved the following recommendation from the Committee on Publications (CPub):

"It is proposed that the AMS Council adopt doubly anonymous refereeing as a policy for all AMS journals, and to that end a committee including members of the Council, editorial boards, publication staff, and members of CPub be formed to draw up an implementation plan."

The purpose of the DARC committee is to begin discussions about how an implementation could work. Half of the committee members will be representatives from the editorial boards. The other half will be chosen from Council, CPub, and publication staff.

Authorization
Established at the direction of the Council of January 5, 2021, Item 4.4.2
