General Description

- Committee is standing
- Number of members is three
- Term is three years

Principal Activities

To monitor the distribution of funds from the Ky and Yu-fen Fan Endowment Fund for the support of Chinese mathematics and the promotion of cooperation between mathematicians in China and North America.

Other Activities

The oversight committee may find it necessary to create review panels for evaluating proposals. The AMS committee will work directly with AMS staff to establish and to conduct such review panels.

Miscellaneous Information

The Committee has found it effective to conduct its business by mail and conference telephone call.

Note to the Chair

Committee chairs should be informed, at the beginning of each fiscal period, of the budget of their committees and cautioned to remain within the budget. Such items as travel reimbursement, accommodations, and meals for guests of any kind fall within these budgets.

Work done by committees on recurring problems may have value as precedent or work done may have historical interest. Because of this, the Council has requested that a central file system be maintained for the Society by the Secretary. Committees are reminded that a copy of every sheet of paper should be deposited (say once a year) in this central file. Confidential material should be noted, so that it can be handled in a confidential manner.
