1163-20-943   **Ricardo Jesus Ramos*** (`rjesusrc@gmail.com`), Avenida Venezuela 5197, San Miguel, Lima 15086, Peru. *On $S(1, n)$ supergroups.* Preliminary report.

We describe a character over the super group $S(1, n)$, with kernel its reduced part. Using this, we describe properties for super curves with a trivial Berezinian bundle. (Received September 14, 2020)
