1163-35-323 **Gung-Min Gie**, **James P Kelliher** and **Anna L Mazzucato*** (`alm24@psu.edu`). *On Euler equations with in-flow and out-flow boundary conditions.* Preliminary report.

I will discuss several results concerning the incompressible Euler equations when in-flow and out-flow boundary conditions are imposed on parts of the boundary. (Received September 02, 2020)
