Chenjie Fan* (fancj@amss.ac.cn), Academy of Mathematics and Systems Science, Beijing, Peoples Rep of China, and **Weijun Xu** and **Zehua Zhao**. *On wellposedness of mass critical stochastic NLS.*

We will present some recent results of the wellposedness of mass critical stochastic NLS, including both local and global behavior. The talk is based on joint work with Weijun Xu and joint work with Zehua Zhao. (Received September 13, 2020)
