Thomas Koberda and **Feng Luo*** (fluo@math.rutgers.edu), Dept of Math, Rutgers University, Piscataway, NJ 08854, and **Hongbin Sun**. *Some remarks on linear representations of the mapping class groups.*

We will discuss some of the observations we made on the linear representations of the mapping class groups of a surface of genus at least 3. This is a joint work with Thomas Koberda and Hongbin Sun. (Received August 10, 2020)
