

Contents

Preface	v
1 Basic Concepts	1
1.1 The Triangle Inequality	1
1.2 Broken Lines	7
1.3 Area Inequalities	15
2 Algebraic Techniques	31
2.1 Algebraic Inequalities	31
2.2 Vectors and the Dot Product	41
2.3 Complex Numbers	49
3 Inequalities in the Triangle	57
3.1 Trigonometric Inequalities	57
3.2 Metric Inequalities	64
3.3 Extremal Points in Triangles	90
4 Introductory Problems	97
5 Advanced Problems	105
6 Solutions to Introductory Problems	115
7 Solutions to Advanced Problems	155
Bibliography	203
Other Books from XYZ Press	205
