**PERIODICAL PUBLICATIONS
OF THE
AMERICAN MATHEMATICAL SOCIETY**

**BULLETIN OF THE
AMERICAN MATHEMATICAL SOCIETY**

This journal is published monthly. It is the official organ of the Society. One of its functions is to report official acts of the Society and the details of its meetings, with abstracts of all research papers presented. In addition to these official reports, it publishes, also, short original papers on mathematical topics, and some of the longer officially invited addresses presented before the Society. These papers form the body of the Bulletin. It contains also announcements and notes on matters of current interest, and reviews of advanced mathematical books.

Price per annual volume, \$9.00. Sets of early volumes are available as follows: vols. 12-36 (1905-1930), \$7.00 each; vols. 37 to date, \$9.00 each. Vols. 1-11 and the three volumes of the Bulletin of the New York Mathematical Society (the precursor of the present Bulletin) are out of print and scarce; sets can sometimes be obtained through the Society's New York office.

**TRANSACTIONS OF THE
AMERICAN MATHEMATICAL SOCIETY**

This journal is devoted to research in pure and applied mathematics.

Beginning with 1935, two volumes of three numbers each of the Transactions will be published per year. The price per volume will be \$6.00, so that the annual subscription price (six issues) will be \$12.00. The Transactions has appeared as a quarterly since 1900, with the exception of the year 1922, when two volumes, of four numbers each, were published (vols. 23-24).

Sets of early volumes are available as follows: vols. 1-21 (1900-1920), \$7.00 each; vols. 22-32 (1921-1930), \$8.00 each; vols. 33-36 (1931-1934), \$9.00 each.

Subscriptions and orders for the Bulletin or Transactions should be addressed to the American Mathematical Society, Menasha, Wisconsin, or 501 West 116th St., New York City.
