CORRIGENDUM, VOLUME 81

Ronald E. Bruck, Jr., *An iterative solution of a variational inequality for certain monotone operators in Hilbert space*, pp. 890—892.

On p. 890, replace the original condition (3) by:

(3) the conditions \{[z_n, w_n]\} ⊆ A \cap (C \times H), \{w_n\} bounded, \(z_n \rightarrow z\) weakly, \(\lim (w_n - f, z_n - u_0) = 0\) imply \(z \in E\).

On p. 891, replace the original condition (4) by:

(4) the conditions \{[z_n, w_n]\} ⊆ A, \(z_n \rightarrow z\) weakly, \(w \in Ay\), \(\lim (w_n - w, z_n - y) = 0\) imply \(w \in Az\).

On p. 891, line 4, replace “strictly” by “strongly”.

ERRATUM, VOLUME 82
