

## CALL FOR NOMINATIONS

The selection committees for these prizes request nominations for consideration for the 2016 awards, which will be presented at the Joint Mathematics Meetings in Seattle, WA in January 2016. Information about past recipients of these prizes may be found in the November 2013 issue of the Notices, pp. 1364–1386 and at [www.ams.org/prizes-awards](http://www.ams.org/prizes-awards).

### **DISTINGUISHED PUBLIC SERVICE AWARD**

---

This award, which is made every two years, recognizes a research mathematician who has made a distinguished contribution to the mathematics profession during the preceding five years.

### **E. H. MOORE RESEARCH ARTICLE PRIZE**

---

Among other activities, E. H. Moore founded the Chicago branch of the AMS, served as the Society's sixth president (1901–1902), delivered the Colloquium Lectures in 1906 and founded and nurtured the Transactions of the AMS. This prize, presented every three years, was established in 2002 to honor his extensive contributions to the discipline and to the Society. It is awarded for an outstanding research article published in one of the AMS primary research journals (namely, the Journal of the AMS, Proceedings of the AMS, Transactions of the AMS, Memoirs of the AMS, Mathematics of Computation, Electronic Journal of Conformal Geometry and Dynamics, and the Electronic Journal of Representation Theory) during the calendar years 2004–2009.

### **LEVI L. CONANT PRIZE**

---

The Levi L. Conant Prize, first awarded in January 2001, is presented annually for an outstanding expository paper published in either the *Notices* or the *Bulletin of the American Mathematical Society* during the preceding five years.

EACH OF THE PRIZES BELOW IS AWARDED  
EVERY THREE YEARS.

### DAVID P. ROBBINS PRIZE

---

This prize was established in 2005 in memory of David P. Robbins by members of his family. Robbins was a long-time member of the Institute for Defense Analysis Center for Communications Research and a prolific mathematician whose work (much of it classified) was in discrete mathematics. The prize is for a paper with the following characteristics: it shall report on novel research in algebra, combinatorics or discrete mathematics and shall have a significant experimental component; it shall be on a topic which is broadly accessible and shall provide both a clear statement of the problem and clear exposition of the work. The nomination should include a complete bibliographic citation for that work, supplemented with brief remarks explaining what aspects make it particularly suited for this prize.

### OSWALD VEBLER PRIZE IN GEOMETRY

---

The Oswald Veblen Prize in Geometry, which was established in 1961 in honor of Professor Veblen, is awarded in recognition of a notable research memoir in geometry or topology published in the preceding six years. To be considered, either the nominee should be a member of the Society or the memoir should have been published in a North American journal.

### NORBERT WIENER PRIZE IN APPLIED MATHEMATICS

---

The Norbert Wiener Prize was established in 1967 in honor of Professor Wiener and was endowed by a fund from the Department of Mathematics of the Massachusetts Institute of Technology. The prize is awarded for an outstanding contribution to applied mathematics in the highest and broadest sense and is made jointly by the American Mathematical Society and the Society for Industrial and Applied Mathematics. The recipient must be a member of one of these societies.

Nomination with supporting information should be submitted to <http://www.ams.org/profession/prizes-awards/nominations>. Include a short description of the work that is the basis of the nomination, including complete bibliographic citations when appropriate. A brief curriculum vitae should be included for the nominee. Those who prefer to submit by regular mail may send nominations to AMS Secretary, Carla Savage, Computer Science Department, North Carolina State University, Raleigh, NC 27695-8206. Those nominations will be forwarded by the secretary to the relevant prize selection committees.

**Deadline for nominations is June 30, 2015.**
