

Start an AMS Graduate Student Chapter at your institution

AMS Graduate Student Chapters are designed to generate interest in the mathematical sciences and encourage students in their mathematical pursuits by providing them with new opportunities and experiences.

*Network and discover
career opportunities*

*Find opportunities for
community outreach*

*Sponsor social functions for
the mathematical community*

*Collaborate with fellow
students & faculty*

The AMS provides up to \$500 annually for mathematical activities. Visit the "Chapter in a Box" at www.ams.org/studentchapters to get started on your petition!

Suggested deadline to submit petition: October 1st
