Mathematics Opportunities

Gweneth Humphreys Award

The Association for Women in Mathematics confers the Gweneth Humphreys Award annually on a mathematics teacher who has encouraged female undergraduates to pursue mathematical careers and/or the study of mathematics at the graduate level. The deadline for nominations is April 30, 2018. See sites.google.com/site/awmmath/programs/humphreys-award or email awm@awm-math.org.

*NSF–CBMS Regional Conferences 2018

With NSF support, the Conference Board of the Mathematical Sciences (CBMS) will hold seven Regional Research Conferences during the summer of 2018. Each five-day conference features a distinguished lecturer delivering ten lectures on a topic of important current research. Support for about thirty participants is provided for each conference.
