

# SHARE YOUR VISION FOR A REIMAGINED JMM

Co-managed by the AMS and the MAA for many years, the Joint Mathematics Meetings (JMM) is the world's largest gathering of mathematicians. Starting in 2022, the AMS will manage the JMM solely, while the MAA and other organizations will continue to participate.

This is a chance for us to reimagine the JMM to ensure a continued rich experience, and to ask you to share your ideas for the JMM in 2022 and beyond. How would you rethink or improve the meetings?

Thank you for helping to ensure that the JMM continues to offer "something for everyone" within the mathematical community.
