CHINA

Tianjin University, China
Tenured/Tenure-Track/Postdoctoral Positions at the Center for Applied Mathematics

Dozens of positions at all levels are available at the recently founded Center for Applied Mathematics, Tianjin University, China. We welcome applicants with backgrounds in pure mathematics, applied mathematics, statistics, computer science, bioinformatics, and other related fields. We also welcome applicants who are interested in practical projects with industries. Despite its name attached with an accent of applied mathematics, we also aim to create a strong presence of pure mathematics.

Light or no teaching load, adequate facilities, spacious office environment and strong research support. We are prepared to make quick and competitive offers to self-motivated hard workers, and to potential stars, rising stars, as well as shining stars.

The Center for Applied Mathematics, also known as the Tianjin Center for Applied Mathematics (TCAM), located by a lake in the central campus in a building protected as historical architecture, is jointly sponsored by the Tianjin municipal government and the university. The initiative to establish this center was taken by Professor S. S. Chern. Professor Molin Ge is the Honorary Director, Professor Zhiming Ma is the Director of the Advisory Board. Professor William Y. C. Chen serves as the Director.

TCAM plans to fill in fifty or more permanent faculty positions in the next few years. In addition, there are a number of temporary and visiting positions. We look forward to receiving your application or inquiry at any time. There are no deadlines.

Please send your resume to mathjobs@tju.edu.cn.

REPUBLIC OF KOREA

Korea Institute for Advanced Study (KIAS)
Assistant Professor & Research Fellow in Pure and Applied Mathematics

The School of Mathematics at the Korea Institute for Advanced Study (KIAS) invites applicants for the positions at the level of KIAS Assistant Professor and Postdoctoral Research Fellow in pure and applied mathematics. KIAS, founded in 1996, is committed to the excellence of research in basic sciences (mathematics, theoretical physics, and computational sciences) through high-quality research programs and a strong faculty body consisting of distinguished scientists and visiting scholars.

Applicants are expected to have demonstrated exceptional research potential, including major contributions beyond or through the doctoral dissertation. The annual salary starts from 50,500,000 Korean Won (approximately US$43,380 at current exchange rate) for Research Fellows, and 57,500,000 Korean Won for KIAS Assistant Professors, respectively. In addition, individual research funds...
Applications for the position are open to all scientists with the required experience. The initial appointment is for two years and is renewable for up to two additional years, depending on the research program at KIAS.

Applications will be reviewed twice a year, June 1 and December 1, and selected applicants will be notified in a month after the review. In exceptional cases, applications can be reviewed other times based on the availability of positions.

The starting date of the appointment is negotiable. Application materials must include a standard cover sheet which is posted on the website (www.kias.re.kr), a cover letter, a curriculum vitae including a list of publications, a research plan, and three letters of recommendation. All documents, prepared in English, should be submitted by e-mail or post to:

SINGAPORE

National University of Singapore (NUS)
Department of Mathematics

The Department of Mathematics at the National University of Singapore (NUS) invites applications for the following positions beginning in August 2021. NUS is a leading global university centred in Asia. The Department of Mathematics has about 60 faculty members and teaching staff whose expertise cover major areas of contemporary mathematical research.

1. Tenured/tenure-track faculty positions at all levels
2. Peng Tsu Ann Assistant Professorship (non-tenure track)

Review process will begin on 15 October, and will continue until positions are filled. Enquiries may be sent to matsearch@nus.edu.sg.

For further information about the department, please visit www.math.nus.edu.sg.

1. Tenured/tenure-track faculty positions at all levels
We seek promising scholars and established mathematicians with outstanding track records in any field of pure and applied mathematics. The Department, housed in a spacious building equipped with state-of-the-art facilities, offers internationally competitive salary with start-up research grants, as well as an environment conducive to active research, and ample opportunities for career development. The teaching load for junior faculty is kept especially light.

The Department is particularly interested in, but not restricted to, considering applicants specializing in any of the following areas:

- Optimization/machine learning, imaging science, network analysis/discrete mathematics, with strong emphasis in data related research.
- Algebraic/arithmetic geometry; Homogeneous dynamics
- Analysis and PDE

Please submit your application at https://www.mathjobs.org/jobs/list/15989.

2. Peng Tsu Ann Assistant Professorship (non-tenure track)
The Department of Mathematics and the Institute for Mathematical Sciences at the National University of Singapore (NUS) invite applications for the position of Peng Tsu Ann Assistant Professorship (non-tenure track) beginning in August 2021. We seek promising young scholars (fresh or recent PhD’s) whose research programmes synergize with research thrusts of our senior faculty members.

The position is for a two-year duration with the possibility of a one-year renewal, and it comes with subsidized university housing. The teaching load of this appointment is especially light.

Please submit your application at https://www.mathjobs.org/jobs/list/15990.
