The Notices Classified Advertising section is devoted to listings of current employment opportunities. The publisher reserves the right to reject any listing not in keeping with the Society’s standards. Acceptance shall not be construed as approval of the accuracy or the legality of any information therein. Advertisers are neither screened nor recommended by the publisher. The publisher is not responsible for agreements or transactions executed in part or in full based on classified advertisements.

The 2020 rate is $3.65 per word. Advertisements will be set with a minimum one-line headline, consisting of the institution name above body copy, unless additional headline copy is specified by the advertiser. Headlines will be centered in boldface at no extra charge. Ads will appear in the language in which they are submitted. There are no member discounts for classified ads. Dictation over the telephone will not be accepted for classified ads.

US laws prohibit discrimination in employment on the basis of color, age, sex, race, religion, or national origin. Advertisements from institutions outside the US cannot be published unless they are accompanied by a statement that the institution does not discriminate on these grounds whether or not it is subject to US laws.

Submission: Send email to classads@ams.org.

NEW JERSEY

Rutgers University
New Brunswick
Mathematics Department

The Mathematics Department of Rutgers University–New Brunswick invites applications for the following positions which may be available September 2021.

TENURE-TRACK ASSISTANT PROFESSOR: Subject to availability of funding, the Department expects one opening at the level of Tenure-Track Assistant Professor. Candidates must have a PhD and have a strong record of research accomplishments in mathematics as well as effective teaching. More details on the search, including priority areas, can be found in the Rutgers University–New Brunswick ad listing of www.mathjobs.org. The normal teaching load for research-active faculty is 2–1.

Review of applications begins November 1, 2020; applications after that date may be considered if the positions have not been filled.

HILL AND OTHER ASSISTANT PROFESSORSHIPS: The Hill Assistant Professorship is a three-year nontenure-track, nonrenewable, Post-Doctoral appointment. These positions carry a reduced teaching load of 2–1 for research. Subject to funding, we will be offering one or more of these positions. Other postdoctoral positions of varying duration and teaching loads may also be available. Candidates should have received a PhD and show outstanding promise of research ability in pure or applied mathematics as well as a capacity for effective teaching.

Review of applications begins December 1, 2020; applications after that date may be considered if the positions have not been filled.

TEACHING FACULTY: Teaching Instructor or Assistant/Associate Teaching Professor in Mathematics. Subject to availability of funding the Department of Mathematics at Rutgers University–New Brunswick expects to have one or more renewable non-tenure-track teaching positions at the level of Teaching Instructor with the possibility of appointment at a higher level (Assistant or Associate Teaching Professor) for exceptionally well-qualified candidates.

This position has a teaching load of 4–4 (four undergraduate courses in each of the fall and spring semesters), with possible teaching reductions for administrative, advising or other departmental duties. Applicants should normally have received a PhD and show outstanding evidence of teaching at the undergraduate level.

Review of candidates for these positions will begin December 1, 2020; applications after that date may be considered if the positions have not been filled.

APPLICATION PROCEDURE: The three positions are listed at www.mathjobs.org under Rutgers–New Brunswick with the codes TT20, PD20, and TF20. An applicant should complete the application at www.mathjobs.org. In addition to the mathjobs application, for each position for which you apply, you must complete a basic employment application on the Rutgers employment website. The mathjobs listing for each position includes a link to this basic application.

Rutgers, the State University of New Jersey, is an Equal Opportunity / Affirmative Action Employer.

Qualified applicants will be considered for employment without regard to race, creed, color, religion, sex, sexual orientation, gender identity or expression, national origin, disability status, genetic information, protected veteran status, military service or any other category protected by law. As an institution, we value diversity of background and opinion, and prohibit discrimination or harassment on the basis of any legally protected class in the areas of hiring, recruitment, promotion, transfer, demotion, training.
Dozens of positions at all levels are available at the recently founded Center for Applied Mathematics, Tianjin University, China. We welcome applicants with backgrounds in pure mathematics, applied mathematics, statistics, computer science, bioinformatics, and other related fields. We also welcome applicants who are interested in practical projects with industries. Despite its name attached with an accent of applied mathematics, we also aim to create a strong presence of pure mathematics.

Light or no teaching load, adequate facilities, spacious office environment and strong research support. We are prepared to make quick and competitive offers to self-motivated hard workers, and to potential stars, rising stars, as well as shining stars.

The Center for Applied Mathematics, also known as the Tianjin Center for Applied Mathematics (TCAM), located by a lake in the central campus in a building protected as historical architecture, is jointly sponsored by the Tianjin municipal government and the university. The initiative to establish this center was taken by Professor S. S. Chern. Professor Molin Ge is the Honorary Director, Professor Zhiming Ma is the Director of the Advisory Board. Professor William Y. C. Chen serves as the Director.

TCAM plans to fill in fifty or more permanent faculty positions in the next few years. In addition, there are a number of temporary and visiting positions. We look forward to receiving your application or inquiry at any time. There are no deadlines.

Please send your resume to mathjobs@tju.edu.cn.
For more information, please visit cam.tju.edu.cn or contact Ms. Erica Liu at mathjobs@tju.edu.cn, telephone: 86-22-2740-6039.

AUSTRIA

IST Austria
Assistant Professor (tenure-track) and Professor positions in mathematics

IST Austria (www.ist.ac.at) invites applications in all areas of mathematics for several open positions. Female researchers are strongly encouraged to apply.

We offer:
- Highly international and interdisciplinary research environment
- Competitive start-up package and salary
- Guaranteed annual base funding
- Support for acquiring third-party funds
- Light teaching load, entirely at the level of graduate students
- Wide portfolio of career support
- Child-care facilities and support on campus

IST Austria is an international institute dedicated to basic research and graduate education in the natural, mathematical, and computational sciences. The Institute fosters an interactive, collegial, and supportive atmosphere, sharing space and resources between research groups whenever possible, and facilitating cross-disciplinary collaborations. Our PhD program involves a multi-disciplinary course schedule and rotations in research groups. We hire scholars from diverse international backgrounds and our working language is English. The campus of IST Austria is located close to Vienna, one of the most livable cities in the world.

Assistant professors receive independent group-leader positions with an initial contract of six years, at the end of which they are reviewed by international peers. If the evaluation is positive, an assistant professor is promoted to a tenured professor.

Candidates for tenured positions are distinguished scientists in their respective research fields and have at least six years of experience in leading a research group.

Please apply online at www.ist.ac.at/jobs/faculty/
The closing date for our call is October 30, 2020.

IST Austria values diversity and is committed to equal opportunity.
