Employment Opportunities

CALIFORNIA

Institute for Pure and Applied Mathematics (IPAM), UCLA, Los Angeles
Position Title: Associate Director

The Institute for Pure and Applied Mathematics (IPAM) at UCLA is seeking an Associate Director (AD) for a 2-year appointment (renewable for a 3rd year) starting August 1, 2021. The AD will be an active member of the team and expected to have research background in mathematics or related fields, with experience in conference organization. The primary responsibility of the AD will be coordinating with the organizing committees to execute IPAM programs. To apply and learn more, go to https://recruit.apo.ucla.edu/JPF05835. Applications will receive fullest consideration if received by February 19, 2021. UCLA is an equal opportunity/affirmative action employer.

ILLINOIS

University of Chicago - Assistant Professor

The University of Chicago Department of Mathematics invites applications for the position of Assistant Professor. Successful candidates are typically two to four years past the PhD. These positions are intended for mathematicians whose work has been of outstandingly high caliber. Appointees are expected to have the potential to become leading figures in their fields. The appointment is generally for three years, with the possibility for renewal. The teaching obligation is up to three one-quarter courses per year.

Applicants are strongly encouraged to include additional information related to their teaching experience, such as evaluations from courses previously taught, as well as an AMS cover sheet. If you have applied for an NSF Mathematical Sciences Postdoctoral Fellowship, please include that information in your application, and let us know how you plan to use it if awarded. Questions may be directed to apptsec@math.uchicago.edu. We will begin screening applications on November 1, 2020. Screening will continue until all available positions are filled.

Applications must be submitted online through https://www.mathjobs.org/jobs/list/16122.

Complete applications consist of (a) a cover letter, (b) a curriculum vitae, (c) three or more letters of reference, at least one of which addresses teaching ability, (d) a description of previous research and plans for future mathematical research and (e) a teaching statement.

We seek a diverse pool of applicants who wish to join an academic community that places the highest value on rigorous inquiry and encourages diverse perspectives, experiences, groups of individuals, and ideas to inform and stimulate intellectual challenge, engagement, and exchange. The University’s Statements on Diversity are at https://provost.uchicago.edu/statements-diversity.

The University of Chicago is an Affirmative Action/Equal Opportunity/Disabled/Veterans Employer and does not discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity, national or ethnic origin, age, status as an individual with a disability, protected veteran.
University of Chicago - L.E. Dickson Instructor

The University of Chicago Department of Mathematics invites applications for the position of L.E. Dickson Instructor. This is open to mathematicians who have recently completed or will soon complete a doctorate in mathematics or a closely related field, and whose work shows remarkable promise in mathematical research. The initial appointment is for a term of up to three years. The teaching obligation is generally four one-quarter courses per year. If you are two or more years post PhD, we encourage you to apply for our Assistant Professor position as well at [mathjobs.org/jobs/list/16122](https://www.mathjobs.org/jobs/list/16122).

Applicants are strongly encouraged to include additional information related to their teaching experience, such as evaluations from courses previously taught, as well as an AMS cover sheet. If you have applied for an NSF Mathematical Sciences Postdoctoral Fellowship, please include that information in your application, and let us know how you plan to use it if awarded. Questions may be directed to apptsec@math.uchicago.edu. We will begin screening applications on November 1, 2020. Screening will continue until all available positions are filled.

Applications must be submitted online through https://www.mathjobs.org/jobs/list/16123. Complete applications consist of (a) a cover letter, (b) a curriculum vitae, (c) three or more letters of reference, at least one of which addresses teaching ability, (d) a description of previous research and plans for future mathematical research and (e) a teaching statement.

We seek a diverse pool of applicants who wish to join an academic community that places the highest value on rigorous inquiry and encourages diverse perspectives, experiences, groups of individuals, and ideas to inform and stimulate intellectual challenge, engagement, and exchange. The University's Statements on Diversity are at [provost.uchicago.edu/statements-diversity](https://provost.uchicago.edu/statements-diversity).

The University of Chicago is an Affirmative Action/Equal Opportunity/Disabled/Veterans Employer and does not discriminate on the basis of race, color, religion, sex, sexual orientation, gender identity, national or ethnic origin, age, status as an individual with a disability, protected veteran status, genetic information, or other protected classes under the law. For additional information please see the University's Notice of Non-Discrimination: [https://www.uchicago.edu/about/non_discrimination_statement/](https://www.uchicago.edu/about/non_discrimination_statement/).

Job seekers in need of a reasonable accommodation to complete the application process should call 773-702-1032 or email equalopportunity@uchicago.edu with their request.

Program in Applied and Computational Mathematics
Princeton University
Postdoctoral Research Associate

The Program in Applied and Computational Mathematics invites applications for Postdoctoral Research Associate or more senior positions, to join in research efforts of interest to its faculty. Domains of interest include nonlinear partial differential equations, computational fluid dynamics, material science, dynamical systems, numerical analysis, stochastic analysis, graph theory and applications, mathematical biology, financial mathematics, mathematical approaches to signal analysis, information theory, structural biology and image processing.

Appointments are made for one year, renewable yearly for up to three years, if funding is available and performance is satisfactory. For details on specific faculty members and their research interests, please go to [www.pacm.princeton.edu/sites/default/files/faculty_interests2018-19apc_0.pdf](https://www.pacm.princeton.edu/sites/default/files/faculty_interests2018-19apc_0.pdf).

Applicants must submit a cover letter, CV, bibliography/publications list, statement of research and three letters of recommendation online at [mathjobs.org/jobs/list/16123](https://www.mathjobs.org/jobs/list/16123). PhD is required. This position is subject to the University background check policy.

Princeton University is an Equal Opportunity/Affirmative Action Employer and all qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, sexual orientation, gender identity or expression, national origin, disability status, protected veteran status, or any other characteristic protected by law.
NEW YORK

Open tenure-track faculty position in Mathematics at Cooper Union

The Albert Nerken School of Engineering at The Cooper Union invites applications for a tenure-track position in mathematics at the assistant professor level.

For further details please visit https://www.mathjobs.org/jobs/list/16298.

CHINA

Tianjin University, China
Tenured/Tenure-Track/Postdoctoral Positions at the Center for Applied Mathematics

Dozens of positions at all levels are available at the recently founded Center for Applied Mathematics, Tianjin University, China. We welcome applicants with backgrounds in pure mathematics, applied mathematics, statistics, computer science, bioinformatics, and other related fields. We also welcome applicants who are interested in practical projects with industries. Despite its name attached with an accent of applied mathematics, we also aim to create a strong presence of pure mathematics.

Light or no teaching load, adequate facilities, spacious office environment and strong research support. We are prepared to make quick and competitive offers to self-motivated hard workers, and to potential stars, rising stars, as well as shining stars.

The Center for Applied Mathematics, also known as the Tianjin Center for Applied Mathematics (TCAM), located by a lake in the central campus in a building protected as historical architecture, is jointly sponsored by the Tianjin municipal government and the university. The initiative to establish this center was taken by Professor S. S. Chern. Professor Molin Ge is the Honorary Director, Professor Zhiming Ma is the Director of the Advisory Board. Professor William Y. C. Chen serves as the Director.

TCAM plans to fill in fifty or more permanent faculty positions in the next few years. In addition, there are a number of temporary and visiting positions. We look forward to receiving your application or inquiry at any time. There are no deadlines.

Please send your resume to mathjobs@tju.edu.cn.

For more information, please visit cam.tju.edu.cn or contact Ms. Erica Liu at mathjobs@tju.edu.cn, telephone: 86-22-2740-6039.

REPUBLIC OF KOREA

Faculty Position, Applied Mathematics and Statistics (AMS) in SUNY Korea

SUNY Korea, a global campus of Stony Brook University, invites applications for the position of non-tenure-track Assistant Professor in Mathematics, starting in the Spring of 2021. Qualifications: Demonstrated ability to teach at the undergraduate level, fluency in English; PhD in mathematics or a related field. To apply, send the following items to myoungshic.jhun@stonybrook.edu: cover letter, CV, teaching statement. Applications will be accepted until the position is filled. www.sunykorea.ac.kr. EOE.
