MASSACHUSETTS

Northeastern University
Department of Mathematics
Tenured/Tenure-Track Positions, Open Level

The Department of Mathematics, in the College of Science, and the Khoury College of Computer Sciences, at Northeastern University invite applications for an open tenure-track/tenured faculty position at all levels in the area of Mathematics and Machine Learning, beginning in Fall 2021.

Appointments will be based on research contributions at the interface between Mathematics and Computer Science, combined with a strong commitment and demonstrated success in teaching. The appointment will be joint between the Department of Mathematics in the College of Science and the Khoury College of Computer Sciences.

Candidates will be considered from all areas in Data Science, Machine Learning, Topology, Discrete and Computational Mathematics, and Robotics.

In the Northeastern University College of Science, we embrace a culture of respect, where each person is valued for their contribution and is treated fairly. We oppose all forms of racism. We support a culture that does not tolerate any form of discrimination and where each person may belong. As a College, we strive to have a diverse membership, one where each person is trained and mentored to promote their success.

Responsibilities will include teaching undergraduate and graduate courses, mentoring student and conducting an independent research program.

A PhD in Computer Science, Mathematics or a closely related field to one of the above-listed areas of expertise by the state date is required. Successful candidates are expected to have or to develop an independently funded research program of international caliber and teaching excellence in undergraduate and graduate courses. Qualified candidates should be committed to fostering diverse and inclusive environments as well as to promoting experiential learning, which are central to a Northeastern University education.

Review of applications will begin immediately. Complete applications received by December 31, 2020 will be guaranteed full consideration. Additional applications will be considered until the position is filled.

To apply, please submit the documentation requested on mathjobs.org/jobs. Applicants invited to interviews will be asked to complete a Northeastern University application on the appropriate website.

Northeastern University is an equal opportunity employer, seeking to recruit and support a broadly diverse community of faculty and staff. Northeastern values and celebrates diversity in all its forms and strives to foster an inclusive culture built on respect that affirms inter-group relations and builds cohesion.

All qualified applicants are encouraged to apply and will receive consideration for employment without regard to race, religion, color, national origin, age, sex, sexual orientation, disability status, or any other characteristic protected by applicable law.

To learn more about Northeastern University’s commitment and support of diversity and inclusion, please see www.northeastern.edu/diversity.
Dozens of positions at all levels are available at the recently founded Center for Applied Mathematics, Tianjin University, China. We welcome applicants with backgrounds in pure mathematics, applied mathematics, statistics, computer science, bioinformatics, and other related fields. We also welcome applicants who are interested in practical projects with industries. Despite its name attached with an accent of applied mathematics, we also aim to create a strong presence of pure mathematics.

Light or no teaching load, adequate facilities, spacious office environment and strong research support. We are prepared to make quick and competitive offers to self-motivated hard workers, and to potential stars, rising stars, as well as shining stars.

The Center for Applied Mathematics, also known as the Tianjin Center for Applied Mathematics (TCAM), located by a lake in the central campus in a building protected as historical architecture, is jointly sponsored by the Tianjin municipal government and the university. The initiative to establish this center was taken by Professor S. S. Chern. Professor Molin Ge is the Honorary Director, Professor Zhiming Ma is the Director of the Advisory Board. Professor William Y. C. Chen serves as the Director.

TCAM plans to fill in fifty or more permanent faculty positions in the next few years. In addition, there are a number of temporary and visiting positions. We look forward to receiving your application or inquiry at any time. There are no deadlines.

Please send your resume to mathjobs@tju.edu.cn.
