Calls for Nominations & Applications
FROM THE AMS SECRETARY

Nominations can be submitted between February 1 and March 31. Nominations for the Steele Prize for Seminal Contribution to Research should include a letter of nomination, a complete bibliographic citation for the work being nominated, and a brief citation to be used in the event that the nomination is successful.

Fellows of the American Mathematical Society

The Fellows of the American Mathematical Society program recognizes members who have made outstanding contributions to the creation, exposition, advancement, communication, and utilization of mathematics.

AMS members may be nominated for this honor during the nomination period which occurs in February and March each year. Selection of new Fellows (from among those nominated) is managed by the AMS Fellows Selection Committee, comprised of 12 members of the AMS who are also Fellows. Those selected are subsequently invited to become Fellows and the new class of Fellows is publicly announced each year on November 1.

Learn more about the qualifications and process for nomination at https://www.ams.org/ams-fellows.

AMS Membership for Early-Career Mathematicians

The AMS supports early career mathematicians with opportunities for career development, access to information and job listings, connections with prospective employers, and valuable member benefits, including:

- Individual AMS members receive free standard shipping on orders delivered to addresses in the United States (including Puerto Rico) and Canada
- Discounts on AMS/MAA Press titles
- Reduced registration at the Joint Mathematics Meetings and AMS Sectional Meetings
- Free subscriptions to Notices of the AMS and Bulletin of the AMS

Discounted dues rates for early career mathematicians are available for 2021:
