Help Guide AMS Fiscal Policy.

The Associate Treasurer helps administer and supervise AMS fiscal policies in the interest of the mathematical community.

You know finance and you know the AMS. Now you have the chance to play a leading role in managing AMS policies, expenditures, investments, and budgets, while following trends in finance. The American Mathematical Society seeks applications and nominations of candidates for the post of Associate Treasurer. We welcome applications from PhD mathematicians who have substantial knowledge of Society activities. Although the Associate Treasurer is appointed for a term of two years, candidates willing to make a longer commitment will be preferred, as it is expected that the Associate Treasurer will be reappointed for subsequent terms pending successful performance reviews.

- Serving ex officio as a member of the Board of Trustees, Council, and other committees, as well as serving as Secretary of the Board of Trustees.
- In addition, the Associate Treasurer serves as Secretary of the Mathematical Reviews Corporation, as a member of the Retirement Plan Investment Committee, and as a non-voting member of the Mathematical Reviews Editorial Committee.
