

Leroy P. Steele Prize for Lifetime Achievement

About this Prize

The *Steele Prize for Lifetime Achievement* is awarded for the cumulative influence of the total mathematical work of the recipient, high level of research over a period of time, particular influence on the development of a field, and influence on mathematics through PhD students. The amount of this prize is US\$10,000.

Next Prize: January 2023

Nomination Deadline: March 31, 2022

Nomination Procedure: www.ams.org/steele-prize

Nominations can be submitted between February 1 and March 31. Nominations for the Steele Prize for Lifetime Achievement should include a letter of nomination, the nominee's CV, and a short citation to be used in the event that the nomination is successful. Nominations will remain active and receive consideration for three consecutive years.

Leroy P. Steele Prize for Mathematical Exposition

About this Prize

The *Steele Prize for Mathematical Exposition* is awarded for a book or substantial survey or expository research paper. The amount of this prize is US\$5,000.

Next Prize: January 2023

Nomination Deadline: March 31, 2022

Nomination Procedure: www.ams.org/steele-prize

Nominations can be submitted between February 1 and March 31. Nominations for the Steele Prize for Mathematical Exposition should include a letter of nomination, a complete bibliographic citation for the work being nominated, and a brief citation to be used in the event that the nomination is successful. Nominations will remain active and receive consideration for three consecutive years.

Leroy P. Steele Prize for Seminal Contribution to Research

About this Prize

The *Steele Prize for Seminal Contribution to Research* is awarded for a paper, whether recent or not, that has proved to be of fundamental or lasting importance in its field, or a model of important research.

Special note: The Steele Prize for Seminal Contribution to Research is awarded according to the following six-year rotation of subject areas:

1. Open (2025)
2. Analysis/Probability (2020)
3. Algebra/Number Theory (2021)
4. Applied Mathematics (2022)
5. **Geometry/Topology (2023)**
6. Discrete Mathematics/Logic (2024)

Next Prize: January 2023

Nomination Deadline: March 31, 2022

Nomination Procedure: www.ams.org/steele-prize

Nominations can be submitted between February 1 and March 31. Nominations for the Steele Prize for Seminal Contribution to Research should include a letter of nomination, a complete bibliographic citation for the work being nominated, and a brief citation to be used in the event that the nomination is successful.

Fellows of the American Mathematical Society

The Fellows of the American Mathematical Society program recognizes members who have made outstanding contributions to the creation, exposition, advancement, communication, and utilization of mathematics.

AMS members may be nominated for this honor during the nomination period which occurs in February and March each year. Selection of new Fellows (from among those nominated) is managed by the AMS Fellows Selection Committee, comprised of 12 members of the AMS who are also Fellows. Those selected are subsequently invited to become Fellows and the new class of Fellows is publicly announced each year on November 1.

Learn more about the qualifications and process for nomination at www.ams.org/profession/ams-fellows.

Membership
is a powerful way
to support the
mathematical sciences.
