Chief Editor of the
Notices of the American Mathematical Society

Seeking applicants who thrive on communicating contemporary mathematics research to a broad range of mathematical scientists.

POSITION

Applications and nominations are invited for the position of Chief Editor of the Notices of the American Mathematical Society, to commence with the January 2025 issue.

The new editor-designee will be appointed by Council as an Associate Editor and will become Chief Editor for a three-year term from January 1, 2025 through January 31, 2028. Although the Notices Chief Editor is appointed for a term of three years, candidates willing to make a longer commitment will be preferred, as it is expected that they will be reappointed for subsequent terms pending successful performance reviews.

The goal of the Notices is to serve all mathematicians by providing a lively and informative magazine containing exposition about mathematics and mathematicians, and information about the profession and the Society. The Notices is an AMS member publication, along with the Bulletin of the AMS, Abstracts of the AMS, and the newsletter Headlines & Deadlines.

QUALIFICATIONS

The AMS strives to serve all mathematicians in an inclusive, equitable, and welcoming fashion. We welcome applications from individuals with strong mathematical research experience, broad mathematical interests, and a commitment to communicating mathematics to a diverse audience. The applicant must demonstrate excellent written communication skills.

DUTIES

The Chief Editor has editorial responsibility for a portion of the Notices within broad guidelines. The Chief Editor is assisted by a board of Associate Editors, nominated by the Chief Editor, who help to fashion the contents of the Notices and solicit material for publication. Some writing, and all publication support, will be provided by AMS staff. The Chief Editor will operate from their home base. Compensation will be negotiated and commence upon appointment. Part-time administrative support will be provided. In order to begin working on the January 2025 issue, some editorial work would begin in 2024.

APPLICATIONS & NOMINATIONS

The Chief Editor is appointed by the Council upon recommendation by a Search Committee. Please submit your application - including a curriculum vitae and letter of interest—through www.Math-Programs.org. At a later stage in the process you may be asked for references, i.e., the names of up to three people who are willing to be contacted by us for more information.
