Chairpersons from all types of departments and institutions, chairs-to-be, graduate and undergraduate directors, and non-titular leaders are warmly invited to participate in the annual AMS Workshop for Chairs and Leaders. This workshop provides opportunities for participants to share ideas and experiences and to foster the development of a community of peers who can continue to provide one another support in the vital role of department chair.

Registration fees are US$200 for AMS members and US$300 for non-AMS members. This includes breakfast, lunch, and afternoon tea on the day of the workshop and reserved seating for the JMM Grand Opening Reception on January 4.
